Stewards of Ointments for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co., Testimonials free. Sold by Druggists. Price, 75c. per bottle. Take Hall's Family Pills for constipation.

The pupils of the school at Archdale will give an entertainment Friday night of this week. A very promising program has been arranged by Miss Lula Andrews, the teacher.

If You Suffer From Catarrh

My advice is to take Mrs. Joe Person's Remedy and Wash. I was a severe sufferer from Catarrh of the head and ear. The discharge from the ear and nose was copious and very unpleasant. I suffered in that way for five years. I tried various treatments which did no good. Finally my physician advised me to try Mrs. Joe Person's Remedy and Wash. I used seven bottles of the Remedy and used the Wash with a syringe for my nose and throat. It cured me. Scabs would form in my nose, which was almost unendurable, until by constant and hard blowing, I would relieve myself--it was a fearful affliction. The cure was perfect, and I have never had a symptom of a return and my health is fine.

(MRS.) MOLLY MILLER, Cornelius, N. C., March 16th, 1905.

SUPERIOR COURT.

Civil Docket Continues this Week--Grand Jury's Report.

The criminal docket for Randolph Superior Court was completed last Wednesday evening and the civil docket began Thursday morning and will consume this week. The grand jury did not complete its work until Friday when they made the following report to the court:

TO HIS HONOR, JUDGE MOORE.

We, the Grand Jury for the March term, 1907, beg leave to submit the following report:

We have completed the business before our body and have returned all bills submitted to us for action, and have made presentations of all matters which are within our knowledge.

We visited the County Home in a committee. We find 25 inmates. Nineteen of this number are sane and six are partially insane. All are in usual good health. The inmates stated that they are well cared for, with the exception of a little repairs needed about the buildings. They all seem to have comfortable quarters. We find on hand about 150 bushels of corn, one horse and wagon, farming tools, all in pretty good shape. We also find three milch cows in good condition. We also find 2 hogs in very good condition. We visited the jail and found everything in tolerably fair condition. The prisoners report hospitable treatment. The sanitary condition is as good as could be expected. The walls need cleaning and whitewashing but owing to sickness in the jailor's family it has not been done. There is a little defect in the northwest corner of the jail and we recommend that this be attended to at an early date.

We visited the clerk's office, the Register's office, and the Treasurer's office and find that the books and records of said offices are properly kept. We recommend that there be better protection for the records about the courthouse.

We recommend that there be immediate steps taken for building a new courthouse and jail.

J. P. PHILLIPS, Foreman.

The following criminal cases have been disposed of since our last issue.

THURSDAY.

State vs. Jim Richardson, retailing, two case judgment suspended upon payment of cost and of \$50.
