Kanoy Gleanings.

Mrs. Elizabeth Pearce is still very low with pneumonia. Her recovery is very doubtful. The work is progressing rapidly on the bridge. The stone used in building the abutment is excellent quality and endless quantity. They will soon have enough to build one of the pillars and have not worked many days and with only two hands a good part of it. Messrs. Grover Slack and Frank... at a night in this community. Miss Evelyn M. Pitt's school at Trogon's was out last Friday. There was an uncommonly large crowd Friday night at the entertainment. The program was well carried out, the music was good. Mr. R. K. Brady made an excellent talk, and everything passed off pleasantly. Miss Berta Wrenn and Master Dorsett Wrenn, of Franklinville, Messrs. Orlando Christo, of Hemp, and J. A. Pleasant Grove Items.

Farmers are slow getting started planting their crops owing to the weather. Married near Pleasant Grove church, March 23rd, Miss Maggie Cheek and Milton Hammer, E. S. Caviness, J. P. officiating. The ladies of Pleasant Grove Sunday school gave their superintendent, E. S. Caviness, a nice bed quilt on April 7th, which is highly prized. J. E. Hammer, who had the misfortune to break his leg some time ago, is improving. Stood the Test. Allcock's Plasters have successfully stood the test of many years' use by the public. Their virtues have never been equalled by the unscrupulous imitators who have sought to trade upon the reputation of Allcock's Plaster, making plasters with holes in them, and claiming them to be "just as good as Allcock's." Allcock's plasters stand today before not only the highest medical authorities, but by millions of grateful patients who have proved their efficacy as a household remedy. Richmond Pearson Hobson was a passenger on the A. & A. yesterday morning enroute to Pinehurst.

A Letter of Respect. Published By Request. HARTON COOK: I have known Capt. C. F. Siler from a boy—were raised up together. We went into the war together, served about four years as associates, and there never was a better man to his men than Captain Siler. He would not suffer them punished if he could help it, but stood to their rights. I know this to be true, he was a brave man and possesses a great heart of sympathy. He loves God, and likes men and is doing all he can to promote their interest and happiness. He has spent his life trying to do good. His life is a life of honor and broad reputation. There has been much said in honor of Capt. Siler and it is a fact that we have been shoulder to shoulder in many battles; he deserves credit for his patriotism and he should be awarded for his labors. A pure and perfect man in word and deed he never drank any liquor, never swore an oath nor used any tobacco; never played a game of cards, never had any fights or quarrels. He was converted at the age of 14, commenced praying in public, working and teaching in sabbath school, and prayer meeting, and held prayer in the army from tent to tent. There were few that did so. Respectfully, JAMES A. WARDER.

Obituary. Mrs. Abigail Steel, wife of the late B. F. Steel died March 21st, being in her 80th year. She leaves three children, Mrs. G. H. Perree of Palatka, Florida, Miss Mamie and Jesse Steel of Trinity. Mrs. Steel had been afflicted for several months with heart drops, but had only been confined to her bed a part of the time. She bore her illness patiently and cheerfully, and often during her sickness spoke of the "better home" where sickness never comes, and all the willing hands did all in their power to restore her to health, but Lord who doeth all things well, saw fit to call her home, she was a faithful member of Mt. Vernon Church where her funeral services were conducted by her pastor, Rev. B. F. Hargett. He preached an able and comforting sermon from the text, Mark 14: 8, "Who hath done what she could." While in health she was ever present in Sunday school and church and her presence will be sadly missed there as well as in her home. Her funeral was attended by a large crowd, showing the interest and esteem in which she was held by her church and community. May the all-wise Father in his divine love, comfort the bereaved and admit her soul and may their be "an unbroken family in the realms of glory." A FRIEND.

At his home in Cedar Grove Township, on April 1st, 1907, Jesse Coltrane, aged about 26 years. He was crippled from early childhood and was a loving son and brother. We all miss Jesse, but he did not leave us without hope his last words were encouraging, he said he could see his mother, who has been dead some eight or ten years and that she was going to stay with him that night, and he wanted to go. He leaves a father, two brothers and four sisters, and a host of friends and relatives to mourn his loss. May this only be a warning for us whom Jesse has left behind, to think of death which will sometime and at the longest will be short, and be prepared to meet our loved ones who have. A FRIEND.
