There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors prescribed a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and cleanses the surface of the system. They offer one hundred dollars for any case it fails to cure and for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
