There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surface of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. Another Fair Flower Plucked.

Once again the death angel has visited this low land of sorrow and taken from our midst one of earth's fairest flowers. On July 31, we were called to witness the death of little Joe Whitley at the home of his parents, Mr. and Mrs. E. Whitley, of Ulah. He leaves a father, mother, three sisters one brother to mourn their loss. All earthly love and skill could not save him. Heaven opened wide her everlasting gates for another one to enter the realms of day and wear a jeweled crown. The interment was at Pine Springs August 1. There, while the sun in Heaven was shining in all his glory and brightness, we looked for the last time upon his sweet face and laid him to rest to await the resurrection morning. Weep not, dear parents, though the vacant place in your home cannot be filled and your hearts are bleeding for the little one gone before. Jesus has said "suffer little children to come unto me, and forbid them not, for of such is the kingdom of heaven. The bereaved parents have the sympathy of the community.

"A precious one from us has gone, A voice we loved is still, A place is vacant in our home, That never can be filled."

"God in his wisdom has recalled The child his love had given, And though the body slumbers here The soul is safe in Heaven."
