See What Gov. R. B. Glenn Of North Carolina Says About Gowan's Pneumonia Cure The Great EXTERNAL Remedy

"I make it a rule never to recommend medicines until I have myself tried them, as there are a great many in the land that are perfect shams, but having tried your cure for colds, sore throat and other inflammatory troubles, I have no hesitation in cordially recommending it to the public, for I think it a blessing to the people—especially the children. Any time in the world that I can say a word for your company, I will do so without hesitation or reserve."

The above endorsement coming from one of the best Governors in the Union, and from a man of National prominence, who is honest and conscientious in all things he says or does, do you not think it would pay you to provide your home today with a bottle of Gowan's Pneumonia Cure. You can feel safe if you do, should Croup, Pneumonia, Bronchitis, Catarrh, Rheumatism or any of the cold or inflammation-congestion ills invade your home and endanger the lives of your loved ones. Croup and Pneumonia come quickly. Nothing to fear when you use this remedy, which can be purchased from all Leading Druggists and Drug Jobbers at 25c., 50c., or \$1.00 per bottle. Cheaper than funeral expenses or Undertaker's bill. Nothing "just as good." It is in a class by itself and stands head.
