

EASY TO MIX THIS.

Prepare It at Home By Shaking Ingredients Well in a Bottle.

What will appear very interesting to many people here is the article taken from a New York paper, giving a simple prescription, as formulated by a noted authority, who claims that he has found a positive remedy to cure almost any case of back ache, or kidney or bladder derangement, in the following simple prescription, if taken before the stage of Bright's disease:

Fluid Extract Dandelion, one half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Shake well in a bottle and take in teaspoonful doses after each meal and again at bedtime.

A well known druggist here at home, when asked regarding this prescription, stated that the ingredients are all harmless and can be obtained from any good pharmacy at a small cost, or the prescription would be fixed by us if asked to do so. He further stated that while this prescription is often prescribed in rheumatic afflictions with splendid results he could see no reason why it would not be a splendid remedy for kidney and urinary troubles and backache, as these conditions often arise upon the urinary tract, and these mild diuretics and cathartics help to clear the system and help the blood to find its way through the blood vessels and remove matter which causes derangement. Fluid Extract Dandelion and Compound Kargon are both safe and make no harm to the system.

Remarkable Cures.

Many people who have been afflicted with rheumatism, backache, kidney troubles, etc., have been cured by the use of this simple prescription. Before giving the prescription, the druggist stated that he had seen a great many cases of this kind, and that he had found that the best remedy was the one he was giving. He stated that he had seen a great many cases of this kind, and that he had found that the best remedy was the one he was giving. He stated that he had seen a great many cases of this kind, and that he had found that the best remedy was the one he was giving.

There is something about Rheumatism, backache, kidney troubles, etc., that makes it a very difficult disease to cure. It is a disease that is often overlooked, and it is a disease that is often neglected. It is a disease that is often overlooked, and it is a disease that is often neglected. It is a disease that is often overlooked, and it is a disease that is often neglected.

Remarkable Family.

The Waxton family, who live in Goose Creek Township in Union County, celebrated their children's Thanksgiving day. There were 13 children present and 100 all of 13 grandchildren were present. None of the children or grandchildren live more than 20 miles from Mr. and Mrs. Waxton.

Mr. and Mrs. Waxton are both well known in the community. They have a large family and are very successful in their business. They are both well known in the community and are very successful in their business.

Mrs. Mary J. Dodson, who lives in the town of Waxton, is a well known and successful business woman. She has a large family and is very successful in her business. She is a well known and successful business woman.

Are you suffering from backache, kidney troubles, etc.? If so, you should try the simple prescription given above. It is a simple prescription that is easy to mix and easy to take. It is a simple prescription that is easy to mix and easy to take.

President Roosevelt has issued a letter to the National Republican executive committee declaring strongly that he cannot enter the race for nomination for a third term and that he thinks it very improper and will be treated accordingly.

DeWitt's Catarrh Remedy, which is a simple prescription that is easy to mix and easy to take. It is a simple prescription that is easy to mix and easy to take.

Mrs. H. B. Shoff has given a bond of five hundred dollars for her appearance at the Davidson Court in February and has been released from jail. Mr. Shoff is still behind the bars and his attorneys expect to arrange his bond soon. They are charged with assaulting the late child of Mrs. Fields, of High Point.

Thousands of men and women in all walks of life are suffering from kidney and bladder troubles. Don't neglect your kidneys. DeWitt's Catarrh Remedy is a simple prescription that is easy to mix and easy to take. It is a simple prescription that is easy to mix and easy to take.

CORTELYOU'S FINANCIERING

Horace White was at one time editor of the New York Evening Post and in 1896 opposed Mr. Bryan for the presidency. He has recently written a letter to the Evening Post endorsing the Post's opposition to the issuing of a lot of 3 per cent. certificates of indebtedness and urges equally valid objections against the issuing of Panama Canal bonds.

"Both are schemes to borrow money from the public at interest in order to lend it to banks without interest at a time when the government already has \$240,150,431 (minus a small working balance) already loaned in the same way. There is no pretense that either class of obligations is put out to obtain money for any governmental purpose.

The avowed purpose is to relieve the money pinch. You have shown that the money pinch was already relaxing, as indicated by the decline in the premiums on currency, here and in Chicago. You have pointed out how the premiums on currency relaxed and disappeared without government interference. In 1903, you argued that the Treasury department by "financing" the currency would depress the price of these bonds to such an extent that they would be sold at a loss.

It would be a simple matter to borrow money from the public at interest in order to lend it to banks without interest at a time when the government already has \$240,150,431 (minus a small working balance) already loaned in the same way.

Fruit Growers Must Organize For Protection.

The Fruit Growers all over the United States should Organize for Protection, not only to aid and assist one another in the growing of crops, but more particularly in the marketing and selling of the fruit. Let the organizations be in the district, township or city, then work it up in county, State and national organizations, in order to obtain higher prices for their fruit crops. There are Fruit Growers' Organizations in existence where the members are able to sell and ship their fruit as a body and they are well paid, because in the first place, they control a larger quantity than as individuals, and in the second place, owing to the great amount of fruit they have, the commission merchants will prefer to deal with the organization. The commission merchants have such organizations, also the nurserymen; now why not the fruit growers? We will do all we can to benefit the fruit growers and will publish, from time to time, articles on organization that will be helpful to the growers. Kindly send your subscription to
