THE HISTORICAL SOCIETY.

When an idea is chrysalized into an organized force, purposeful and helpful, it has proved itself important and interesting.

An Historical Society for Randolph County is the outcome of a conception of the possible work and the good such an association may do.

Its vitality depends on interesting a great many people. The Society has for its object the collection, preservation and dissemination of everything relating to the history of Randolph county both secular and religious.

Randolph has been the home of many notable men in church and educational matters, in affairs of State-wide interest, and in wars; it is still giving citizens of distinction to other States in the Union.

In the memory of some are historical facts, many known traditions, handed down along family lines, while others remember incidents of "old times" which sparkle with a laughable keenness and force.

The preservation of local history, together with many old customs and traditions, and pictures, which grow more valuable as years pass, a good work.

The meetings are always open to the public and the papers prepared and read in the meetings are to be pasted in a scrap-book, a record will be kept of all the gifts and donations made to the museum.

The Executive Committee will arrange programs, giving ample time to those who are to write papers, as often much labor and research are required to make a subject instructive.

The scope of the work of the Society conduces to original composition also tends to stimulate patriotism, and is a touchstone of accurate information on many subjects.

The Health Department of the Club has done a great deal of good work and they can do more with the co-operation of the citizenship of the town. They expected Mr. E. Wharton of Greensboro to make an address at this meeting and to tell of how he aided in exterminating the flies in Greensboro last week, but he was detained by a business engagement.

Song and Dramatic Recital at the School Auditorium.

Under the auspices of the graded school, on Monday night, Mr. Edward Brigham, basso profundo and dramatic reader, delightfully entertained with his songs and recitations. His rendering of the Welsh Folk Song and his presentation of The Raven by the great poet, Edgar Allen Poe, took the crowd by surprise, while the last on the program, the old "Dixie Land," which was in the original version, was the climax of the evening. The whole program was a success.

WE HAVE FAITH IN THIS STOMACH REMEDY

A woman customer said to us the other day, "Say, you ought to tell everyone in town about Rexall Dyspepsia Tablets. I would myself if I could." That set us to thinking. So many people have used them and have so enthusiastically sounded their praises both to us and their friends, that we had an idea you all knew about them. But, in the chance that some of you who suffer from indigestion, heartburn, dyspepsia, or some other stomach complaint, don't know about them—we are writing this.

They contain Bismuth and Pepsin, two of the greatest digestive aids known to medical science. They soothe and comfort the stomach, promote the secretion of gastric juice, help to quickly digest the food and convert it into rich, red blood, and improve the action of the bowels. We believe them to be the best remedy made for indigestion and dyspepsia. We certainly wouldn't offer them to you entirely at our risk unless we felt sure they would do you a lot of good. If Rexall Dyspepsia Tablets do not relieve your indigestion, check the heartburn, and make it possible for you to eat what you like whenever you like, come back and get your money.

Sold only at the more than 7,000 Rexall stores, and in this town only at our store. Three sizes, 25c, 50c, and \$1.00.—Standard Drug Co. and the Rexall Store, Asheboro, N. C.

One Hundred and Fifty High Schools Are in Debates—Liberty Paired With Elon.

Interest is gathering not only in Chapel Hill but all over the State in the approaching State-wide contest of the High School Debating Union. One hundred and fifty schools are enrolled and the larger number of these are arranged in triangles for debates on March 20. It has been impossible to arrange triangles for some of the schools, so a group of two schools has been substituted in some cases for a full triangle. The schools which win both of their debates in the preliminary contests will send their teams to Chapel Hill on April 3rd to take part in the final contest. The Aycock Memorial Cup will be awarded to the final winner.

Liberty is the only high school of Randolph county represented this year. This school was successful over Trinity and Jamestown last year, but on account of sickness among the debaters it did not take part in the final contest. Liberty is paired with Elon for the debates March 20. The school will be represented in these contests by Ira Hinshaw, D. Thompson, Cecil Frazier and Ivor Critcher. Hinshaw and Thompson were in the contest last year.

A REAL NERVE AND BODY-BUILDING MEDICINE

We believe Rexall Olive-Oil Emulsion is the best remedy made for toning the nerves, enriching the blood, building up wasted tissues, renewing health, strength and energy—the best medicine you can use if you are run-down, tired, out, nervous and debilitated, no matter what the cause. It doesn't depend for its good effect upon alcohol or habit-forming drugs, because it contains none. It may not make you feel better in a few hours, but it will make you feel better, just as soon as the tonic and food properties it contains have a chance to get into the blood and through the blood into the rest of your system. Pure Olive-Oil and the Hypophosphites have long been endorsed by successful physicians, but here, for the first time, they are combined into one preparation which, as a nerve-food and a builder of strength and health, we believe, has no equal.

If you don't feel well, begin taking Rexall Olive-Oil Emulsion today, and build your health and strengthen your system against more serious illness. To convalescents, old people, puny children and all others who are weak, run down or ailing, we offer Rexall Olive-Oil Emulsion with our personal promise that, if it doesn't make you well and strong again, it will cost you nothing. If we didn't have the utmost faith in it, we wouldn't offer it with this guarantee, nor even recommend it to you. We are sure that once you have used it you will recommend it to your friends, and thank us for having recommended it to you. Sold only at the more than 7,000 Rexall Stores, and in this town only by us. \$1.00.—Standard Drug Co. and The Rexall Store, Asheboro, N. C.
