## A SOUR STOMACH GAS, INDIGESTION

Each "Pape's Diapiesin" digests 3000 grains food, ending stomach misery in five minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can get blessed relief in five minutes. Ask your pharmacist to show you the formula, plainly printed on these fifty cent cases of Pape's Diapiesin, then you will understand why dyspeptic troubles of all kinds must go, and why they relieve sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapiesin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but, what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diapiesin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia, or any stomach misery.

Get some now, this minute, and rid yourself of stomach trouble and indigestion in five minutes.

## A TEN CENT BOX OF "CASCARETS"

Insures you for months against a Sick Headache, Biliousness, Constipation or a Bad Stomach.

Get a 10-cent box.

Put aside - just once - the Salts, Pills, Castor Oil or Purgative Waters which merely force a passageway through the bowels, but do not thoroughly cleanse, freshen and purify these drainage organs, and have no effect whatever upon the liver and stomach.

Keep your "insides" pure and fresh with Cascarets, which thoroughly cleanse the stomach, remove undigested, sour food and foul gases, take the system into the liver and carry out of the system all the constipated waste matter and poisons in the bowels.

A Cascaret to-night will make you feel great by morning. They work while you sleep - never gripe, sicken, and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then and never have Headache, Biliousness, Coated Tongue, Indigestion, Sour Stomach or Constipated Bowels. Cascarets belong in every household. Children just love to take them.

### To Aid Farmers.

In working the building and loan associations among the farmers, the farmers who have money to loan would be the investing shareholders, and to those who would be added the people of the cities and towns who are willing to aid the associations, and at the same time get good investments for their money. The farmers who desire to borrow should join, of course as the borrowing shareholders. Associations of this character must have both kinds.

### GOT RELIEF IN TWO DAYS.

Quick Work of Bear's Emulsion.

L. H. Flick Had a Bad Cough, No Appetite, and Felt of No Account.

John D. Bear, Elkton, Va. Dear Sir: - In the winter of 1908 I had a very severe cough, no appetite, pains through my back and lungs and felt weak and of no account. Bear's Emulsion was recommended to me by a friend and I got a bottle and after the first two days I felt like myself again and never had anything to help me like it did. Last year (1909) my wife began to complain as I did. So without waiting for anything I got another bottle of your Emulsion and although she took it very irregularly she began to improve at once. There is nothing better for a run down system and cough.

Yours very respectfully,

Lee H. Flick.

Don't you expect to do something for that long standing cough? Don't you expect to get something to build up your system? Bear's Emulsion gives relief and benefits the whole system. Get Bear's because it is not hard on the stomach and has proven to be the best.
