

HAIR STOPS FALLING, DANDRUFF DISAPPEARS—25 CENT DANDERINE

Save your hair! Make it soft, glossy, fluffy, beautiful—Grows hair and we prove it.

Try as you will, after an application of Danderine, you cannot find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most, will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and

scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is immediate and amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance the beauty and shimmer of true hair health.

Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all.

FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With
Theodor's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whitaker, of this place, "with sick headache, and stomach trouble.

Ten years ago a friend told me to try Theodor's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught."

Theodor's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

Mrs. Mary Blair Passes Away.

Mary Blair, nee Rush, died March 1, 1914, aged 85 years, two months and 24 days. She was reared in a Christian home, a devoted member of the M. E. Church, South, a sister of the late Rev. Zebedee Rush of the N. C. Conference. Was married to J. M. Blair Nov. 19, 1846. To this union were born ten children. Her husband and two children having passed away several years ago. She leaves eight children, 33 grandchildren and 15 great-grandchildren. The living children are W. C. Blair, Battle Ground, N. C.; Mrs. Martha Newman Missouri; J. O. Blair, like Joseph of old, having rode off from his home and family 22 years ago and has not been heard of since, since, was a source of great sorrow and trouble to his mother as long as she lived. But she had a sweet way of casting her burdens which were many upon Him who is the burden-bearer.

Mrs. E. C. Cranford, Trinity; Prof. Z. F. Blair, Little Rock, Ark.; Mrs. N. R. White, Guilford College; Mrs. J. E. Meredith, Thomasville, and Mrs. W. E. Merewith, who with her husband and children loved, respected and made grandma comfortable in her declining years.

She was a woman of noble character, strong constitution, ever bright and cheerful. She never mingled with the world but looked well to the duties of her household and the rearing of her children and grandchildren. She was never weary in caring for and helping any one who needed help. She was a loving mother, a good neighbor and was most loved by those who knew her best. She had made every preparation, just like one going off on a long journey. Was sick only a few hours with that dread disease, pneumonia. She called the children and grandchildren and seemed to have a message for each one, but we could not understand.

Sympathizing friends rendered every assistance possible, yet at dawn of that winter's morn her stainless soul mounted to mansions not made with hands eternal in heaven. She died without a fear or struggle and with perfect resignation to the will of her Heavenly Father. The funeral was conducted by her pastor, Rev. A. S. Raper. We laid her body to rest in Hopewell cemetery. Blessed are the dead who die in the Lord.

She is gone but not forgotten, Gentle mother, kind and dear; Thou art happy now in Heaven, But oh! how we miss you here.

It was hard to part with her; Oh! so sad to see her die, But we'll try to meet her some day In that home beyond the sky.

She is gone but not forgotten; Never will her memory fade; Sweetest thoughts will ever linger Around the grave where she is laid.

Two faithful hands are folded now, And crossed upon her breast; Her dear old form is silent now, And laid away to rest.

If sat down for a few minutes, I had to have assistance when I got up. During one of these spells, I could not turn in bed nor lift my arm as far as my mouth. The muscles of my back and limbs were swollen and I was in bad shape when some one urged me to try Doan's Kidney Pills. After using three boxes of this remedy, the complaint left as if by magic."

It Weakens Us Abroad.

The Canal tolls question, with the ill feeling it has aroused in other lands, is compelling the Administration to be extra cautious, not to say timid, in dealing with the Mexican and Japanese questions. With all the nations angry and resentful, because, as it seems to them, we have broken our word regarding the Canal, it would be extremely unwise to get into an open quarrel with any country. Until the President's hands are tied in dealing with Mexico and Japan. This seems to be the meaning of the hint contained in the last words of his address: "I shall not know how to deal with other matters, of even greater delicacy and nearer consequence, if you do not grant this to me in ungrudging measure."

FRUIT LAXATIVE

FOR A SICK CHILD

"California Syrup of Figs" can't harm tender stomach, liver and bowels—Children Love it.

Every mother realizes, after giving her children "California Syrup of Figs" that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping.

When cross, irritable, feverish or breath is bad, stomach sour, look at the tongue, mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember, a good "inside cleaning" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for "Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeiters sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company."

NOTICE.

Fashion Has a New Idea.

One always hesitates to say that the worst has happened in ladies' fashions. Maybe there will always be something worse to come. But it seems as if the limit must have been reached in the new style adopted by ladies of fashion in Paris, Berlin, St. Petersburg and other European capitals. At court balls and on other fashionable occasions they are actually wearing wigs dyed in all sorts of unnatural colors—blue, green, purple and orange.
