Clean Up Day, April 1st.

Clean Up Day, April 1st.

Let each and everybody make April 1st a clean up day in truth and fact, both in town and county. While Asheboro is considered a clean and healthy town, yet there are many improvements to be made before it can be considered anything like perfect. Unhealthy conditions should be made a thing of the past and a new era should begin. Conditions around factories, shops and back lots can be greatly improved.
