IT DOES THE WORK. Testimony of Emery Shifflet on Bear's Emulsion.

Bear's Emulsion of Petroleum can be given to children as well as grown people, because it does not contain any opiates. But builds up the run-down system, improves the appetite, and stops your coughs.

John L. Bear, Elkton, Va. Dear Sir: I have used Bear's Emulsion of Petroleum in my family for coughs and colds among my three children and can honestly say there is nothing I have ever used or heard of that will cure a cough like it does. It also gives them an appetite and makes them feel better in every way. I don't expect to use anything else as long as I can get it.

Emery Shifflet, Elkton, Va., R. F. D. One dollar a bottle or six for five dollars. Sold by Standard Drug Co.

STUDEBAKER FOUR

ELECTRICALLY STARTED ELECTRICALLY LIGHTED FULL FLOATING REAR AXLE

The farther you search the more you will be impressed with the fact that there actually exists no greater "Four" value than the Studebaker FOUR presents.

Electric starter, electric lights, Timken bearings throughout, five-passenger capacity, full floating axle, left hand steer, a manufactured car throughout.

Does any other "Four" offer more for the money?

Studebaker supremacy in Southern California seems to answer the query conclusively.
