A PLEASANT WAY TO STOP CONSTIPATION

Thousands Avoid Taking the Drug and Use Dodson's Liver Tonic in its Place to their Comfort and Delight.

Dodson's Liver Tonic is a harmless, reliable vegetable-liquid. It is made to take the place of dangerous cathartics.

Calmed in large doses is a poison. It is a bitter and a form of mercury. What it does unpleasantly and very often with decided danger in cases of constipation and sluggish liver, Dodson's Liver Tonic does for you safely and pleasantly without any pain and no gripes.

Dodson's Liver Tonic is Lacked up by a guarantee of "satisfaction or your money back," as the Asheboro Drug Co. will tell you.

Of course, no successful and so reliable a remedy has its imitators, but this store has Dodson's and will not deceive you.

Dodson's never makes extravagant statements. Dodson's Liver Tonic has been made from the first to take the place of calomel. It "lives the liver," overcomes constipation agreeably and makes you feel good and if you are not satisfied completely with it the Asheboro Drug Co. will hand back the purchase price (50c.) to you cheerfully, instantly and without question.

Mrs. White was an earnest, consecrated Christian woman. She lived her religion which she professed in early life at Fair Grove church in the southern part of the county. She had been a member of the Methodist Protestant church at Flag Springs for the past 45 years.

In her religious life Mrs. White was faithful, loyal and true. Her greatest delight was in attending the church services and in doing His will. She had implicit faith, often repeating her favorite text, "I have been young and now am old; yet I have not seen the righteous forsaken nor his seed begging bread. He is ever merciful and lenient and his seed is blessed."

The deceased was about 78 years old. She had lived most of her life in the neighborhood where she died. A few years ago she sold her place and went to live with her true friend, Vira Ledwell.

Funeral services were conducted in Asheboro by her pastor, Rev. Stowe, after which the body was laid to rest in the Asheboro cemetery. Truly a good woman has gone to receive her reward.
