NOT SO STRANGE AFTER ALL

You may think it strange that many people are cured of stomach trouble by Chamberlain's Tablets. You would not, however, if you should give them a trial. They strengthen and invigorate the stomach and ena and invigorate the stomach and enable it to perform its functions naturally. Mrs. Rosie Rish, Wabash, Ind., writes, "Nothing did me the least good until I began using Chamberlain's Tablets. It is decidedly the best medicine for stomach trouble I have ever used." HOW FRENCH PEOPLE CURE STOMACH TROUBLE

A household remedy of the French peasantry, consisting of pure vegetable oil, and said to possess wonderful merit in the treatment of stomach, liver and intestinal troubles, has been introduced in this country by George H. Mayr, who for twenty years has been one of the leading down town druggists of Chicago and who himself was cured by its use. So quick and effective is its action that a single dose is usually enough to bring pronunced relief in the most stubborn cases, and many people who have tried it declare they never heard of anything to produce such remarkable results in so short a time. THE OLD AND NEW WORLDS

Perhaps some of our European critics—the Spectator among them—will now be able to see some merit in President Wilson's Mexican policy. At least we are not at war with any one and but for the folly of emperors and kings would be on the high road to prosperity. We think that the "idealist" than shown more practical sense than the very practical statesmen who have dragged Europe into warson to the brink of it.

The contrast between the old and new world is striking, and most creditable to the new. We are working out the Mexican problem wigh the utmost patience, and with every prospect of success.
