Sow Crimson Clover and Save Fertilizer Bills

The indications are that prices of fertilizer the coming season will be much higher than usual, owing to the fact that the supply of fertilizer materials will be largely cut off on account of the European war. This should cause farmers everywhere to put land in crops that will save fertilizer bills. Nothing will do this better than Crimson Clover. It is unquestionably one of the best soil-improvers that can be put in, and wherever it is grown, it gives largely increased crops of corn, cotton and tobacco.

We have secured more liberal supplies of Crimson Clover than was expected and will be able to sell at much more reasonable prices than was anticipated.

WOOD'S CROP SPECIAL gives full and interesting information about the fertilizing value of Crimson Clover; also about other seeds for Fall sowing. Write for Crop Special and prices of any seeds required.

INTERNATIONAL SUNDAY SCHOOL LESSON

(By E. O. SELLERS, Director Sunday School Course, Moody Bible Institute, Chicago.)

LESSON FOR OCTOBER 4

CHRIST ANOINTED FOR BURIAL

LESSON TEXT—Mark 14:1-11.
GOLDEN TEXT—She hath done what she could. Mark 14:3.

Event crowds fast upon event during this the world's most tragic week. Two days before the passover occurred, the chief priests and other leaders entered a conspiracy how to rid themselves of this troublesome Nazarene. This plot mentioned in the first two verses of the lesson probably occurred four days later than the anointing. Note the separating paragraph mark; also look up carefully a good harmony of the Gospels. Following the Olivet discourse Jesus said to his disciples, "In two days the passover." At that very time Judas was scheming with the rulers for his arrest. John, in his Gospel, tells us that the feast was six days before, and that it was in connection with this that Judas had left the company to go to the priests.

Judas Iscariot was angry at our Lord and this incident led immediately to the betrayal. Nowhere else in all history is there a blacker picture of the human heart or the length of iniquity to which it will go. Everything at this hour is electric and strange. Events rapidly converge towards the cross. For that, grace has been planning and sin is plotting.

Amazed the Disciples.

Mary Criticized, vv. 3-5. Jesus had his inner circle of friends and his favorite places of abode and none was evidently more precious than that home of Mary, Martha and Lazarus. In this supreme hour Jesus came to this home to bring it a confirmation of faith and some further spiritual gift. From that time of Peter's confession, several months previous, the Lord has constantly reaffirmed his statement then made, that he must go to Jerusalem, die, and be raised the third day. This teaching amazed the disciples and filled them with fear. Jesus did not, however, awaken faith and then quench it with fear, or allow it to languish and die, John 4:46, 54. Now as the darkest hour approaches there appeared this one touch of appreciative sympathy. Bethany was of but little dignity but there lived there a man who had been raised from the dead—Lazarus. There also resided one who brought comfort to the heart of Jesus—Mary. She had listened to him, she understood him, believed and loved. With a woman's keen intuition she seems to have realized that he was really going to his death. What that meant to the hopes and aspirations she seems to have divined, and realized, more than all others, his viewpoint. How to tell him was her desire. Out of that love she purchased a box of ointment representing in value about fifty dollars, an immense sum and the full extent of her treasure. Ordinary action will not suffice. The hour and occasion demanded the extraordinary. To it she yielded herself, lavishly pouring upon him the wealth and fragrance of that sacred ointment intended for kings. She had sat at his feet, Luke 10:39, and was ready for this the proper hour for anointing, John 12:7. It was her all, but love does not have the calculating cunning and prudence of Judas.

"Memorial of Her."

Mary Commended, vv. 6-9. The story is beautiful in the record we have of our Lord's words. Mary's compensation for the criticism called for by her conduct was the commendation of her Lord. We do not censure the disciples who did not understand but we are thankful for the words of the Master which their criticism called forth. Jesus realized the true meaning of the act and he named it when he said, "She hath done what she could, she hath anointed my body aforehand for burying." Notice that Jesus received the true meaning of her act as for himself, still it was for the world, for he said, "this that she hath done shall be spoken of for a memorial of her." This was not merely a reward for Mary, it was that her act should be an inspiration to incite his followers to like activities and attitudes throughout all the ages. This is all that is asked of any disciple (II Cor. 8:12). Love forgets self, surroundings, cost or criticism. Love pours out itself to the uttermost and its fragrance fills not alone the house but the whole of creation.

III. Judas Conspires, vv. 10, 11. This tender story ends with the terrible account of Judas. He had no sympathy for Mary, primarily because he was not in sympathetic relations with Jesus. Jesus had revealed, called forth, the deepest love of Mary's heart. In the case of Judas he revealed a heart of treachery. Accepting the adoring anointing of Mary and also perpetrating it, he at the same time calls forth a revelation of that compelling motive of selfishness in the heart of Judas that led to his own self-destruction. Contrast these two pictures. We recall the crushed heart of Mary at the death of Lazarus which brought Mary into the closest fellowship with Jesus. In her shadow and sorrow she learned to pour out her love in sacrificial anointing.

SAGE TEA DARKENS HAIR TO ANY SHADE

Don't stay gray! Here's a simple recipe that anybody can apply with a hair brush.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and abundant. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking a drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old recipe which can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, feverish, itchy scalp and falling hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark, glossy, soft and abundant.

URIC ACID IN MEAT CLOGS THE KIDNEYS

Take a glass of Salts if your Back hurts or Bladder bothers you—Drink more water.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush of the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.
