MOTHER! IS CHILD'S STOMACH SOUR, SICK?

If Cross, Feverish, Constipated, Give "California Syrup of Figs."
Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.
When listless, pale, feverish, full of cold, breath hot, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the "acid" comes out, the bowels and fermenting food pass out of the bowels and you have a well and playful child again. Children love this because "it's laxative" and it allows them to eat after giving it, because it never fails to make their little "insides" clean and sweet.
Keep it handy, Mother. A little given today saves a sick child tomorrow, and get the genuine. Ask your druggist for a 30-cent bottle of "California Syrup of Figs." It has directions for babies, children of all ages, and for grown-ups plainly on the bottle. Remember these are counterfeits sold here, so inspect each and see that ours is made by the "California Fig Syrup Company." Hand made with our secret and other fine ingredients.

IF MEALS HIT BACK AND STOMACH SOURS

"Pape's Diapensin" does stomach, Misery, Indigestion in Five Minutes
If what you just ate is scolding on your stomach or lies like a lump of lead, refusing to digest, or you belch gas, and eructate sour, undigested food, or have a feeling of sickness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can get blessed relief in five minutes.
Ask your pharmacist to show you the formula, plainly printed on these fifty-cent boxes of Pape's Diapensin, then you will understand why dyspeptic troubles of all kinds must go, and why they relieve sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapensin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.
This city will have many Pape's Diapensin cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia, or any stomach misery.
Get some now, this minute, and rid yourself of stomach trouble and indigestion in five minutes.

WOOD & MORING

EVERYTHING RIGHT IN THE END
I want to believe in the happy old way
That all will come right in the end some day.
That life will be better and days will be sweet,
That roses will carpet the world for man's feet,
That love and affection and honor and dust,
Will lift us from sorrow and shadow and dust.
I want to go toiling with this in my heart,
That every day brings us the joy of a start

Fresh with endeavor and duty and truth,
As we swing to our tasks with the vigor of youth,
Singing the music of love and of cheer,
Till clouds drift apart and the storms disappear.
I want to go trusting that this will be so,
As out to the toil and the tumult we go;
That hearts will be kinder and life will grow bright,
With the blessings of labor that lends to the light;
That troubles, like bubbles, will burst and away,
And all will come right in the end some day.
