Try This! Hair Gets Thick, Glossy, Wavy and Beautiful at Once—Stops Falling Out.

Immediate? — Yes! Certain? —
In a letter addressed to the citizens of Bladen county and published in the centess light, wavy, fluffy, abundant and appears as soft flustrous and beautiful as a young giris after a Danderine hair cleanse. Just try this — moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a timo. This will cleanse the hair of diatt, clirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been menjected or is scrangy, fasted, dry, brittle or thin. Besides beautifying the hair. Danderine disalvers every particle of dandeuff; cleanses, purifice and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' tax, when you see now hair—fine and downy at first-yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a 25-cent bottle of Knowtton's Danderine from any drug store or toilet counter and just try it.

WILSON AT WORK

It is good to know that the President since Lincoln has had to bear more trials, personal and official, than have fallen to Mr. Wilson's lot in the last 6 months. Nor is the time of his trials over. He has now, more than ever, a task which calls for watchful waiting, while all about us the nations applain in the red pools of their own ruin.—New York Press (Rep.).

THE RECORD COUNTS

"The record," President Wilson says in his letter declining to take part in the campaign, "speaks for itself."

It does. In comparison with what the record says, the promises of pol-iticians, and their explanations, are all empty words. The record is what

all empty words. The record is what counts.
Yet that is a fact which politicians never will comprehend. They go on, making promises and breaking them, in the same old way. And they expect to be able to smooth over their deficiencies with smooth words, and get away with it.

But the people are "on" more and more. The record is what counts.—The Kansas City Star (Buil Moose).
