Don't scold your fretful peeviah child. See if tongue is conted; this is a sure sign its little stomach, liver and bowels are clogged with sour

is a sure sign its little stomach, liver and bowels are clogged with sour waste. When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stom-sch-ache, indigestion, diarrhoea, rive a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the howels and you have a well and playful chile again. Children love this harmless "fruit lavative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet. Keep it handy, Mother! a little gr-en today saves a sick child tomorrow, but get the genuine. Ask your drug-gist for a 50-cent bottle of "Califor-nia Syrup of Figs," which has the direction for babies, children of ati ages and for grown-ups plainly o the bottle. Remember there are coun-terfeits sold here, so surely look and see that yours is made by the "Cali-fornia Fig Syrup Company." Hand back with contempt any other fig syrup.

COMMUNITY HEALTH WORK ENFORCED

Six Model Health Communities; Three New Ones Started

New Ones Started The new year finds many changes in the personnel of the Hookwern Commission and the Community Health work in North Carolina. Dr. M. H. Steele, of Kentucky succeeds Dr. D. C. Abaher in community health work in Scotland county. Dr. W. H. Kibler succeeds Dr. Washbura as whole-time health officer of Naak county, while Dr. P. W. Covingtom goes to Wayne county and Dr. H. E. Champion to Pitt county to enter new fields of community health work. Di John Collison, who has been Field Director for Hookworm Eradication in North Carolina since September, 1913, and who has recently been en-gazed in community health work in Sampson county, is now with the Georgia State Board of Health. Dr. Steel, formerly with the Ken-

Sampson county, is now with the Georgia State Board of Health. Dr. Steel, formerly with the Ken-tucky State Board of Health was grad unted from the Louisville Medicai Collega in 1905. He comes with an experience gained from sever years of penetral practice and two years of public health work. Dr. Steele, will complete the work begun by Dr. A' sher in Scotland county, the latter having been elected whole-time kealth officer of Vance county. Six communities in all have com-pleted the Commission's plan of kealth work. These are Salemburg and In-gold in Sampson county; Red Oak and Mt. Pleasant in Nash county; Philadelphus in Robenon county and Hallsbore in Columbus county. With few exceptions every individual 'n these communities have been exam-ined for hookworm disense and every infected person treated. Every hom-, school and church has been provided with sanitary closets, while rural aan-tiation has made marked advances along numerous other lines.

WHAT WOULD YOU DO?

WHAT WOULD FOULD FOUNDAT There are many times when one man questions another's actions and mot-ives. Men act differently under differ-ent circumstances. The question is, what would you do right now if you had a severe cold? Could you do bet-ter than to take Chamberlain's Cough Remedy? It is highly recommended by people who have used it for years and know its value. Mrs. O. E. Sar-gent, Peru, Ind., says: "Chamberlain's Cough Remedy is worth its weight in gold and I take pleasure in rocom-mending it." For sale by all dealers.

SICK HEADACHE

Sick headache is nearly always caused by disorders of the stomach. Correct them and the periodic attacks of sick headache will disappear. Mrs. John Bishop, of Rosceille, Ohio, wites: "About a y-ar ago I was trou-bled with indirection and had sick headache that lasted for two or three days at a time. I doctored and tried a number of remedies hut nothing helped me until during one of those sick spells a friend advised me to take Chamberlain's Tablets. This medi-cine relieved me in a short time". For sale by all dealers.
