**EXPLANATION ON OLD COIN**

The Courier is indebted to Mr. Robert Douglass, of Greensboro, for an explanation of the abbreviated Latin inscription on the gold coin brought to the office one day last week by Mr. G. Elwood Stanton, of Randleman Route 1, which we give in full. It will be remembered that the coin bears the date, 1757, and the following inscription: "Josephus I. D. G. Port. et Alg. Rex." Mr. Douglass' explanation, which is quite interesting, follows: "The inscription is in Latin, which was generally used on coins of the period mentioned. The inscription—filling out the abbreviations—is 'Josephus I Dei Gratia, Portugalis et Algarve Rex.' Translated into English it is 'Joseph 1st, by the grace of God, King of Portugal and Algarve.' The coin is therefore Portuguese and probably found its way to this country from Brazil, which was at that time a Portuguese colony. Joseph 1st—in Portuguese spelled 'Jose' and pronounced 'Hozay'—was King of Portugal from 1750 to 1777. Algarve—pronounced 'Algarvey' is the southern part of what we now know as Portugal. It was, however, held by the Moors for some time after the rest of Portugal had been conquered, in honor of the event the kings of Portugal called themselves 'King of Portugal and Algarve.'"

**AN ENJOYABLE ENTERTAINMENT**

On Friday evening, April 9, a very enjoyable entertainment was given by the Asheboro school children for the benefit of the school ground fund. Master Rhodes Moffitt announced the numbers on the program, and each little group of entertainers came promptly forward in nice marching step.

The songs, including the following: "The Spring Song," "I Want a Teddy Bear," "The Sewing Circle," and "Children of Old Nature" elicited much applause; and the recitation by Mabel Cox, John Hadley, and Clarabelle Morris was well rendered. Miss Alice Phillips recited "Woman's Power in the Twentieth Century." Violin and piano music by Mrs. Sulton Stedman and Miss Annie Moring and a "Rose Drill" closed the evening's entertainment, every number of which was heartily enjoyed by every one present.

The sum of seventeen dollars and sixty cents was realized, which will aid materially in helping to pay the bill for the granite retaining wall of the school grounds.
