HELPLESS AS BABY

Down in Mind Unable to Work, and What Helped Her.

Summit Point, W. Va.—Mrs. Anna Belle Emey, of this place, says: "I suffered for 15 years with an awful pain in my right side, caused from womanly trouble, and doctored lots for it, but without success. I suffered so very much, that I became down in mind, and as helpless as a baby. I was in the worst kind of shape. Was unable to do any work."

I began taking Cardui, the woman's tonic, and got relief from the very first dose. By the time I had taken 12 bottles, my health was completely restored. I am now 48 years years old, but feel as good as I did when only 16. Cardui certainly saved me from losing my mind, and I feel it my duty to speak in its favor. I wish I had some power over poor, suffering women, and could make them know the good it would do them."

If you suffer from any of the ailments peculiar to women, it will certainly be worth your while to give Cardui a trial. It has been helping weak women for more than 50 years, and will help you, too.

Try Cardui. Your druggist sells it. Write to: Chattanooga Medicine Co., Ladies' Advisory Dept., Chattanooga, Tenn., for special instructions on your case and 64-page book, "Home Treatment for Women," in plain wrapper. N. C. 151

STATE DOES NOT FEED ITSELF

Whenever there is considerable attention about growing more sugar and bread and feedstuffs on the farms in North Carolina, instead of buying it from almost some good folks everywhere a fear that we may grow so much that the price might fall far below the cost of production. So long as we buy elsewhere, argues the Statesville Landmark, what we can produce at home, we are not measuring up to our opportunities and are not doing good business. No amount of talk can get around that proposition. And to show just how far short we are falling, it may enlighten a good many people to know that there is not a single county in North Carolina that grows enough food and feed to supply man and beast folks and animals in the county. Alleghany comes nearest to doing it, lacking only \$19,000 worth. In half the counties in the State, however, the foods and feeds grown in that county lack a million dollars' worth of being enough to feed the county.

The following list, compiled at the State University from the census report of 1910, shows just how much each of the 98 counties of the State—we only had 98 then—lacked of growing the food and feedstuffs consumed in the county; or in other words just how much money each county had to send outside for the things that could have been produced at home:

Table with 2 columns: County and Deficit. Lists counties from Alleghany to Mecklenburg with their respective deficit amounts.

PARKER, N. C. MAN GETS QUICK RELIEF

W. B. Bussard, Editor After First Dose of Remedy. W. E. Devenport, of Parker, N. C., has suffered from a peculiar kind of pain in the stomach. He sought treatment with but little relief. As a last resort he took May's Wonderful Remedy and found immediate benefit. He wrote: "For years I have suffered from a disease which puzzled doctors. They treated it with the stomach, saying the only hope would be a change of climate, and that in all probability I would never get well. Then I heard of your remedy. One bottle gave me instant relief. It made me feel like a new man. Your full course of treatments has about cured me. Several of my friends have also been cured."

May's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfactory money will be returned.

UGH! CALOMEL MAKES YOU DEATHLY SICK

Stop Using Dangerous Drug Before It Salivates You! It's Horrible! You're bilious, sluggish, constipated and believe you need vile, dangerous calomel to start your liver and clean your bowels. Here's my guarantee! Ask your druggist for a 50c. bottle of Dodson's Liver Tonic and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick, I want you to go back to the store and get your money. Take calomel today and tomorrow you will feel weak and sick and nauseated. Don't lose a day's work. Take spoonful of harmless, vegetable Dodson's Liver Tonic tonight and wake up feeling great. It's perfectly harmless, so give it to your children anytime. It can't salivate, so let them eat anything afterwards.

WHY A BOY SHOULD BE A CHRISTIAN

Reason 1. You need the help of Christ. You are in the world, and you must make (through it) You will have questions to decide if you are left to yourself. You will be tempted to do wrong. You will have more or less trouble, and music will help you in all these things as well as Jesus Christ. Besides this, you have a character to form. Life is not all for fun, even for boys. Jesus is the only one who ever lived a perfect life. He is therefore, the best teacher you can have. But more than that, he will come into your heart and live with you if you will let him, for he says: "Behold, I stand at the door and knock; if any man (or boy) hear my voice, and open the door, I will come in to him." You know how it is when you are with a very good man. You come to think as he thinks and do as he does, and it is easy to be good in his presence. Much more will you find it easy to be good if you will let Christ come into your heart and direct your life. Then too, Jesus is the only one who can forgive sin; and my dear boy, you are a sinner; for the Bible says so, and you know it. Do you not, therefore, need a Savior?

Reason 2. Jesus needs your help. He has a place for you in His kingdom and a work for you to do. He needs you in your school and on the playground to show how brave and manly and true a Christian boy can be. He needs you in your home to brighten it by a happy life, as he brightened his home when a boy. He needs you everywhere to live for him and talk for him and to win other boys to himself, for God wants the boys. And what a grand thing it is that Jesus does need you. You would be sorry to think that he had no use for you and that the world would go along just as well without you. You need not think so, for there is plenty of work that will not be done unless you do it. Respond to his call. Come up to his help as a good soldier of Jesus Christ.

Reason 3. His requirements are reasonable. All that he asks of you is to do right. He does not expect you to be a Christian man, but a Christian boy, with all a boy's love of fun and frolic. He expects you to run and jump and shout as loud as ever, but never to forget that you are one of Christ's boys. Christianity does not consist of sermons and prayer-meetings, but of "righteousness, peace and joy in the Holy Ghost." It is doing right because it pleases Jesus, being happy because you are doing right and living at peace with all around you. Boys sometimes think that they can "sow wild oats" as they call it, for a few years; and repent later on; but they forget that a life once stained with sin can never be just the same again, but the scar will remain forever. Whoever sows wild oats must reap his own harvest, for God has said: "Whosoever a man soweth, that shall he also reap."

Reason 4. As we think about the future, the outlook is very bright for a Christian boy. The same Jesus whom he has loved and served in life will be with him in the hour of death, and will usher him into the gates of the eternal city. Eternity is a long time, my boy, an awfully long time if spent apart from Jesus, but a blessed long time if spent in his company. He who can say, "For me to live is Christ," can also say, "To die is gain."

Reason 5. You ought to be a Christian, and you know it. Christ died for you. He loves you, and He longs for your love; and it is a burning shame for you not to love Him and try to please Him. Won't you begin today, my boy, by asking Him to forgive your sins and enroll you as one of His followers? The manliest thing a boy can do is to stand up for Jesus. When President Garfield was a boy at Williams College, he climbed Mt. Greylock one day with a lot of companions. Their plan was to spend the night on the mountain. Seated around the campfire, they sang college songs, and told stories all the evening. At length young Garfield took a Testament out of his pocket and said: "Boys it is my custom to read a chapter in the Bible and have a prayer before going to bed. Shall we have it all together? And they did. That is the kind of boy that you and I admire—one who serves the Lord and isn't afraid to say so. That is the kind of boy I hope that you will be, a boy who can sing from his heart: "I will go where you want me to go, dear Lord, Over mountain or valley or sea; I will say what you want me to say, dear Lord, I will be what you want me to be." —Bombay Guardian.
