OUR HARVEST

At no time since our great country became a nation has old mother earth yielded her increase so bountifully as this year, and at no time in the history of this troubled, warring sphere has a great harvest been more welcome and more necessary for the well-being of our own and other countries. We cannot help being proud of our great harvest, the greatest in the history of the world. No other country on earth can or ever will approach it either in size or diversity of its products. The United States is not the only country that looks gratefully upon our harvest, for nearly all the world waits expectantly for our crop returns. America is truly the Universal Provider, for this land of ours, to a greater extent than almost all the countries of the world combined; produces most abundantly those foods that support life on this planet. All Europe, excepting Russia alone, calls upon us annually for millions of bushels of wheat with which to sustain the lives of their citizens.

We should not only be thankful for this bountiful crop of nature, but we should praise and honor those who gave their lives on the battlefield, that we might reap the rewards of nature in peace.

If ever the United States had reason and cause to be thankful it certainly has in this year of grace, above all others since the landing of the Mayflower in 1621.

While we rejoice over our wonderful harvest in this land of peace and prosperity, we see the rich fields of Europe crushed beneath the blood-killing machines of hasty monarchs, and the once golden grain washed in the crimson blood of the dying.

Let us be thankful that our harvest is great, great enough to feed a hungry, suffering, warring world, great enough to make our land a land of prosperity. Above all things let us be thankful that we have reaped nature's reward in joy and peace, and not in tears and war.

For Rheumatism.

As soon as an attack of rheumatism begins apply Sloan's Liniment. Don't waste time and suffer unnecessary agony. A few drops of Sloan's Liniment on the affected parts is all you need. The pain goes at once.

A grateful sufferer writes:—"I was suffering for three weeks with Chronic Rheumatism and Stiff Neck, although I tried many medicines, they failed, and I was under the care of a doctor. Fortunately I heard of Sloan's Liniment and after using it three or four days am up and well. I am employed at the biggest department store in S. F. where they employ from six to eight hundred hands, and they surely will hear all about Sloan's Liniment.—H. B. Smith, San Francisco, Cal.—Jan. 1915. At all Druggists.

Alligator Holds Up Mail

A rural mail carrier a short ways out of Newport Saturday encountered an alligator in the road which showed signs of disputing traffic over that part of the road on which he was lying. The mail carrier fired several shots into the alligator with a revolver with very little effect. A shot gun was obtained finally and the animal killed.

An Old, Family Cough Remedy, Home-Made

Essentially Prepared—Costs Very Little, but is Prompt, Sure and Effective

By making this pint of old-time cough syrup at home you not only save about \$2, as compared with the ready-made kind, but you will also have a much more prompt and positive remedy in every way. It overcomes the usual coughs, throat and chest colds in 24 hours—relieves even whooping cough quickly—and is excellent, too, for bronchitis, bronchial asthma, hoarseness and spasmodic croup.

Get from any drug store 2½ ounces of Pinex (50 cents worth), pour it into a pint bottle and fill the bottle with plain granulated sugar syrup. Full directions with Pinex. Keeps perfectly and tastes good.

You can feel this take hold of a cough or cold in a way that means business. It quickly loosens the dry, hoarse or painful cough and heals the inflamed membranes. It also has a remarkable effect in overcoming the persistent loose cough by stopping the formation of phlegm in the throat and bronchial tubes.

The effect of Pine on the membranes is known by almost every one. Pinex is a most valuable concentrated compound of genuine Norway pine extract combined with eucalyptol and other natural healing pine elements.

There are many worthless imitations of this famous mixture. To avoid disappointment, ask your druggist for "2½ ounces of Pinex," and do not accept anything else.

A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

OLDER BUT STRONGER

To be healthy at seventy, prepare at forty, is sound advice, because in the strength of middle life we too often forget that neglected colds, or careless treatment of slight aches and pains, simply undermine strength and bring chronic weakness for later years.

To be stronger when older, keep your blood pure and rich and active with the strength-building and blood-nourishing properties of Scott's Emulsion which is a food, a tonic and a medicine to keep your blood rich, alleviate rheumatism and avoid sickness. No alcohol in Scott's. Scott & Downe, Bloomfield, N. J.

SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell.

I tried most every kind of medicine, but none did me any good.

I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it."

Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlasting tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui to-day. You won't regret it. All druggists.
