Ernest Vuncannon and Arley Vuncannon, of Montgomery county, sentenced for six months and four months to jail for illicit distilling at the recent term of the United States District Court at Greensboro, requested Judge Boyd to give them the minimum sentence of a year and a day in the Federal prison at Atlanta. The Greensboro Daily Record inquires why this request for a longer term. Any one of two reasons might be given. In the Federal prison, prisoners who have a good record may be paroled after the expiration of one third the sentence. Another reason is that the defendants may be friends of the State courts. If they are sent to Atlanta it may be there is not so much danger of the State court taking up the case and sending the violators to the rules.

Nammy King, who was sentenced not more than 12 months in jail, requested that he be sent to Atlanta and was sent for a year and a day. At the end of four months he applied for parole and it was declined. He has since made application for Executive Clemency, and that has been refused, so it appears that he will serve his term. King was indicted in the State courts. While it is not usual for a violator of the honor laws to be punished for the same or similar offenses committed about the same time in both State and Federal courts yet it is sometimes done, when it is not thought that adequate punishment has been imposed in the first court which disposes of the case against the violator.

## PENETRATION TREATMENT QUICKEST WAY TO BREAK UP DEEP COLDS

A quick and most effective remedy for colds is a preparation known as Gowans (most powerful and penetrating), which is applied externally. It is a well known fact that these cases of pneumonia and other serious forms of bronchial and lung troubles are developed from slight colds and Gowans has prevented thousands of cases of these serious illnesses by breaking up the cold in its early stages and even in advanced, serious cases of pneumonia itself. The most stubborn cases have been relieved by rubbing Gowans on the chest, under the arms and between the shoulder blades at night before going to bed and covering with a warm flannel cloth. The healing medicines penetrate to the affected parts quickly, reducing the inflammation and breaking up the congestion. Gowans is also very effective in treating all other forms of cold troubles, such as head and chest colds, coughs, croup, whooping cough, inflammation, congestion, catarrh, bronchitis, asthma, etc. Try this remedy tonight. Don't accept a substitute. "Demand Gowans, because Gowans is more penetrating." At druggists in 25c, 50c and \$1.00 bottles. Free sample and testimonials on request, by writing the Gowans Medical Co., Concord, N. C.

## SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Year's Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell. I tried most every kind of medicine, but none did me any good. I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together. My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it." Do you, lady reader, suffer from any of the ailments due to womanly troubles, such as headache, backache, sideache, sleeplessness, and that ever-lastingly tired feeling? If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century. Begin taking Cardui to-day. You won't regret it. All druggists.

Write to: Chattanooga Medicine Co., Ladies' Advisory Dept., Chattanooga, Tenn., for Cardui. Instructions on your case and 44-page book, "Home Treatment for Women," in plain wrapper. N.C. 154
