

FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With Theford's Black-Draught.

McNiff, Va.—"I suffered for several years," says Mrs. J. B. Whitaker, of this place, "with sick headache, and stomach trouble."

Ten years ago a friend told me to try Theford's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught.

Theford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

Your druggist sells and recommends Black-Draught. Price only 25c. Get a package to-day.

Money, Money, Money!

Applications for more than 74,000 shares have been made to the Randolph County Building and Loan Association for the purpose of buying and building homes. These applications will be supplied before many months.

Many accounts with this building and loan association have already been started for more than \$30,000 which will mature in seven years. Do you want to start a bank account of \$1,000? If you do take ten shares. If you want to start a bank account of \$500 take five shares. There is no better way to save your money and to make money than to take shares in this county building and loan association. Many homes are going to be built through this association and seven years will be given in which to pay for them. Do you want one this way?

If you don't need a home just take shares and save your money and get about six per cent above all banks.

The building and loan is conducted in this way: The treasurer is required to give heavy bond. The payments are made the first of each month to the secretary, and on the first of the first of each month the board meets and audits the books and sees that the money is all in the bank. The board and the attorney pass upon every loan to see that there is no bad loan made. By this method there can be no loss. It is as safe as any bank.

By way of correction: Through an oversight the name of Mr. C. L. Amick, a member of the board of directors, was left out when their names appeared in the paper.

Shares are still being taken. You can come in at any time. Let me explain this to you.

G. H. KING, Secretary.

Davidson Offers Prizes For Health Composition Work

In order to awaken a lively interest in the preservation of a public health, Davidson county has inaugurated a prize contest for the public and high school students of that county. Sixty dollars in prizes are to be given for composition work on health subjects, recitations on the health catechism, correction of greatest number of physical defects as reported by school principal and highest average attendance.

Dr. E. F. Long, whole-time county health officer of Davidson, is the author of this novel campaign for teaching health in the schools and awakening interest in better health throughout the county. He has enlisted the co-operation of the three banks of Lexington and the bank of Thomasville to the extent that they each offer a \$10 prize, while Doctor Long offers four \$5 prizes.

A prize of \$10, second prize, \$5, is offered to the students of the public schools preparing the best paper on "Typhoid Fever, Its Source, Modes of Transmission and Methods of Prevention," while a similar prize is offered the students of the high schools for the best paper on "How to Live Long." A first and second prize of \$10 and \$5 are offered both the public and the high schools for the school grading highest in health composition work, recitation in the health catechism, correction of physical defects and highest average attendance for the 1916-17 session.

Health of Babies and Children

In behalf of the babies, health work has been extensively done. The question of pure milk has been most generally fought out, and has won.

For the health of the children, medical school inspection has been planned. The periodic physical examination is a means of protecting health and preventing diseases among older people that they may live and serve longer at the most valuable period of their lives. It has been found to be the most practical and effective method of combating "old age" diseases.

The Coldest Weather

Mr. W. A. Ellington writes the Chatham Record as follows: In the report of Mr. A. H. Merriy, who was the observer at this place for the weather bureau, and who noted the temperature each day in the month of January, 1893.

On the 6th, 14 degrees above zero. On the 7th, the same. On the 8th, 18; 9th, 13; 10th, 21; 11th, 2; 12th, 20; 13th, 9; 14th, zero; 15th, 24; 16th, 4 below zero; 17th, 5 below zero.

This is the minimum temperature during each 24 hours. During this time five snows fell—on the 4th, 7th, 11th, 14th and 17th.

The next coldest weather and deep snow, when nearly all the bluebirds and much of the other game died, was Feb. 14, 1899, the thermometer registering 9 degrees below zero, as reported by the weather bureau in Raleigh.

The above figures are taken from the Chatham Record as published then.

EAT BIG MEALS! NO SOUR, ACID STOMACH, INDIGESTION OR GAS

"Pape's Diapepsin" is Quickest, Surest Stomach Relief Known—Try It!

Time it! Pape's Diapepsin will sweeten a sour, gassy or out-of-order stomach within five minutes.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is usually a sign of acidity of the stomach.

Get from your pharmacist a fifty-cent case of Pape's Diapepsin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches or dizziness. This will all go, and besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin helps to neutralize the excessive acid in the stomach which is causing the food fermentation and preventing proper digestion.

Relief in five minutes is waiting for you at any drug store.

These large fifty-cent cases contain enough "Pape's Diapepsin" to usually keep the entire family free from stomach acidity and its symptoms of indigestion, dyspepsia, sourness, gas, heartburn and headache, for many months. It belongs in your home.

Miss Swanna Lowdermilk, of Seagrave, Becomes Bride of Rev. N. C. Coggin

On Monday evening, Feb. 19th at the home of the bride's parents near Seagrave, Miss Swanna Lowdermilk, daughter of Mr. and Mrs. J. C. Lowdermilk, was the bride of Rev. N. C. Coggin, son of Mr. and Mrs. Z. D. Coggin, of New London, Rev. Baucum, of Aberdeen, officiating, using the beautiful ring ceremony.

The parlor was beautifully decorated with pines and ferns. The wedding music was rendered by Mrs. M. C. Auman. The bridal party entered in the following order: First came the groom, dressed in conventional black on the arm of his brother, James Coggin, as best man. Next came the bride, wearing a lovely traveling suit of blue, carrying a bouquet of white carnations and ferns, on the arm of her cousin, Miss Almeda Lowdermilk, then came little Odessa Lowdermilk, cousin of the bride, as ring bearer, dressed in white, carrying the ring in a beautiful white flower.

After the ceremony the party left for Seagrave where they boarded the train for New London to spend a few days with the groom's parents, after which they will leave for Syracuse, Neb., by way of Washington and Chicago, where Mr. Coggin will resume his work at that place.

Elon College Has Week of Interesting Events

The present week is to be filled with public events on the Hill of an unusually attractive and interesting character.

On Tuesday evening a representative of the New Edison Phonograph will give a public concert in which he will demonstrate the practicality of the phonograph for public lecture teaching and concert purposes.

On Wednesday evening the Peace Contest will be held to be participated in by five orators, from which contest the one who will represent Elon in the state contest, to be held some time later, will be selected. The orators for the occasion are: W. C. King, Seagrave, N. C.; H. T. Floyd, Roanoke, Ala.; W. O. Metley, Burlington, N. C.; H. Babcock, Appomattox, Va.; and J. L. Crumpton, Roxboro, N. C.

On Thursday evening following the celebration of the national holiday commemorating the birth of the father of our country, the Clio literary society will present its annual public celebration. A delightful program, varied and comprehensive has been prepared covering the many-sidedness of the activities of this organization.

The program is as follows: Oration, H. M. Redding. Humorous, G. C. Donovan. Vocal solo, Floyd Alexander. Impersonation, E. R. Reidel. Query: Resolved—That free trade would be a better commercial policy for the United States than protection. Affirmative: B. W. Everette, L. D. Martin. Negative: H. W. Carter, H. S. Hardcastle.

On Friday afternoon the music department will present in a matinee performance about a dozen of its advanced pupils in piano and voice.

Learn to Love Fresh Air

When you come in from out-doors and find the air in rooms stale and stuffy and foul-smelling open the windows wide and let in plenty of fresh air from outside. Open the door too, so that the fresh air can drive all disease-laden air from the room.

Become a fresh-air crank—even at risk of being disliked. Better a live fresh air crank than almost lifeless hot-house invalid.

Avoid large crowds in closed, or poorly ventilated rooms. Not only does the bad air lower your resistance, but you are in danger of catching disease from others.

Don't ride in crowded street cars when going a short distance. Walk!

Walk a mile in the open air twice a day. It will add ten years to your life! If you don't believe it, try it.

GIRLS! DRAW A MOIST CLOTH THROUGH HAIR, DOUBLE ITS BEAUTY

Try This! Hair Gets Thick, Glossy, Wavy and Beautiful at Once

Immediate?—Yes! Certain!—That's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Dandergine hair cleanse. Just try this—moisten a cloth with a little Dandergine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Dandergine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks use, when you see new hair—fine and downy at first—yet really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it surely get a 25-cent bottle of Knowlton's Dandergine from any drug store or toilet counter and just try it.

Liberty High School Society Meets

The Athenian Literary society of Liberty high school was called to order Thursday by the president. The study for the afternoon was the lives of William Cullen Bryant and Henry W. Longfellow. Every member responded to roll call with some quotations from their works. The following program was rendered:

Song, society; devotional exercises, Annie Ashburn; "Sketches of Longfellow's Life," Mabel Crutchfield; reading from Longfellow, Lucile Kime; "Sketch of Bryant's Life," Irene Clapp; reading from Bryant, Willie Andrews; studying etiquette, Miss Moyer.

A contest was engaged in and Miss Marylee Smith was the lucky one in the cut for the prize. The report of the critic and censor was made and the society adjourned.

For a Bilious Attack

When you have a severe headache, accompanied by a coated tongue, loathing of food, constipation, torpid liver, vomiting of partly digested food and then bile, you may know that you have a severe bilious attack. While you may be quite sick there is much consolation in knowing that relief may be had by taking three of Chamberlain's Tablets. They are prompt and effectual. Obtainable everywhere.

Letter of Thanks

Caraway Route 1, Feb. 13, 1917. Mr. Editor:

I wish to express myself through The Courier to my friends who visited me on the 11th, that I feel sure that you did accomplish your job nicely in surprising me, and I want you all to know that I appreciate all that you all did to the highest and hope that there may be many Sabbath days like this to one and all of you. I only regret that I did not tell you all at the time my appreciation to you and hope you all will pardon any negligence and come to see me again and that others may join you.

MISS JULIA PIERCE.

CHILDREN NO EXCEPTION

In Asheboro as Elsewhere Youth and Age Suffer Alike From Kidney Weakness

Is your child weak, frail and pale? No control over the kidneys' action? Kidney weakness is a serious thing far too serious to overlook. It may mean a life of sickness. Profit by Asheboro experiences. Use Doan's Kidney Pills. Endorsed by Asheboro parents. Read this Asheboro mother's endorsement:

Mrs. J. F. Lewis, Sunset St., Asheboro, says: "One of my children had weak kidneys and at night was unable to control the kidney secretions. This weakness made her health very poor. After taking Doan's Kidney Pills, she began to improve and it required only three boxes to cure her. She is now strong and healthy."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lewis recommends. Foster-Milburn Co., Props., Buffalo, N. Y.

Farmers' Union Meeting

The farmers of Randolph county will meet in Asheboro the first Saturday in March the 3rd, 1917 at the court house at 11 o'clock a. m. We want every local represented. Please come and bring some one with you.

W. M. COBLE, Jr., Sec.

MAMMA! DON'T YOU SEE YOUR CHILD IS SICK, CONSTIPATED?

Look at Tongue, Mother! Move Poisons From Liver and Bowels at Once

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing.

Directions: For babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist (or a 50-cent bottle of "California Syrup of Figs") then look and see that it is made by the California Fig Syrup Co.
