

AUCTION SALE, JULY 25, 10:30 A. M.

The Fisher property is being subdivided into sixty residential lots with two factory sites on the Southern Railway

This property is by far the highest class property now to be had in Asheboro, having a frontage on Sunset Avenue and Hoover Street, and will be sold to the highest bidder on the above date regardless to price. Your price will be ours on day of sale and with the many advantages that Asheboro offers one can not do better than invest a few dollars in real estate here. There is no town in the state making more rapid strides in manufacturing. With a fine back country to support it we predict for Asheboro a future nothing less than marvelous. Fortunes are being made every day in Real Estate.

Remember the date and hour of this sale and be there, buy some of this property and let it grow in value while you sleep.

Ex Sheriff G. B. Kemp of Reidsville, N. C., D. R. Huffines and J. R. Thomas of Greensboro, N. C., had faith enough in the town to purchase the property and to offer it to you at your own price. Will you take advantage of this opportunity? It remains to be seen. THE TWENTY-FIFTH WILL TELL THE TALE. The old Fisher home and two cottages are a part of this property. Houses are being repainted and the grounds put in first class condition. Look it over before the day of sale and select your lots, attend the sale, hear the music by band, and get a chance at the valuable prizes to be given away.

Terms Very Easy. Sale Conducted by the American Realty & Auction Company, Thomas Bros. Auctioneering Force, Greensboro, N. C.

If you have a farm or city property you care to convert into cash quick, see their representative at the Ashlyn Hotel and hear him explain their methods.

Iron Is Greatest of All Strength Builders, Says Doctor

A Secret of the Great Endurance and Powers of Athletes

Ordinary Nuxated Iron Will Make Delicate, Nervous, Run-down People 100 Per Cent. Stronger in Two Weeks' Time in Many Cases.

New York, N. Y.—Most people foolishly seem to think they are going to get renewed health and strength from some stimulating medicine, secret nostrum or narcotic drug, said Dr. E. Bauer, a Boston physician who has studied widely in this country and great European Medical Institutions when, as a matter of fact, real and true strength can only come from the food you eat. But people often fail to get the strength out of their food because they haven't enough iron in their blood to enable it to change food into living matter. From their weakened, nervous condition they know something is wrong, but they can't tell what, so they generally commence doctoring for stomach, liver or kidney trouble or symptoms of some other ailment caused by lack of iron in the blood. This thing may go on for years, while the patient suffers untold agony. If you are not strong or well, you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see for yourself how much you have gained. I have seen dozens of nervous, run-down people who were ailing all the while

double their strength and endurance and entirely get rid of all symptoms of dyspepsia, liver and other troubles in from ten to fourteen days' time simply by taking iron in the proper form. And this after they had in some cases been doctoring for months without obtaining any benefit. But don't take the old forms of reduced iron, iron acetate or tincture of iron simply to save a few cents. You must take iron in a form that can be easily absorbed and assimilated like Nuxated Iron if you want it to do you any good, otherwise it may prove worse than useless. Many an athlete or prizefighter has won the day simply because they knew the secret of great strength and endurance and filled his blood with iron before he went into the arena, while many another has gone down to ignominious defeat simply for the lack of iron.

NOTE—Nuxated Iron, recommended above by Dr. E. Bauer, is not a patent medicine nor secret remedy, but one which is well known to druggists and whose iron constituents are widely prescribed to eminent physicians everywhere. Unlike the other iron preparations it is easily assimilated, does not irritate the stomach, does not cause constipation, and is the most potent remedy in nearly all forms of indigestion as well as for nervous, run-down conditions. The manufacturer has each and every tablet stamped with the name of the doctor who first suggested its use, and who has since that time used it in his practice. It is the only iron preparation that has been used by the world's greatest athletes and endurance men in the past century.

The Same Store

Which has for years given you value for money received invites your attention during court week to a full line of men's and boys' clothing, shoes for all the family, and women's ready-to-wear clothing. On hand also is a nice line of the latest shades in cloth. Everything in an up-to-date dry goods store is here.

R. C. Johnson.

Ramsur Items

Ramsur, July 9.—Mr. A. W. E. Capel of Troy attended a meeting of the stockholders of the Columbia Manufacturing Company last week. His many friends are always delighted to see him. Mrs. J. M. Steele and son, Mr. John Roe Steele, of Greensboro spent Saturday and Sunday in town, much to the enjoyment of their friends. Mr. Claude Ward has accepted a position with the Ramsur Milling Company. Messrs. Andrew and Shaw of Climax visited Mrs. Vance Cox last week. Mr. Clyde Capel of Biscoe was a popular visitor in town the past week. All work was suspended in town July 4th. The M. E. Sunday school and the Baraca class of the Baptist church each had a picnic. Rev. H. C. Eyrum preached very able and interesting sermons from the pulpit of the M. E. church Sunday. The A. and Y. changed schedule Sunday. The train leaves now at 6:30 o'clock, a. m., and returns at 11 o'clock, a. m.; leaves at 11:30 o'clock, a. m. and returns at 4:45 o'clock, p. m. Mr. Eugene King of Rocky Mount is visiting his parents, Mr. and Mrs. W. H. King.

Trinity Route 1 Items

Trinity, Route 1, July 9.—Miss Annie Crowton returned home Friday after attending Chautauqua at Asheboro. Misses Dora and Augusta Alexander of High Point spent the week end with home folks. Miss Blanche Farlow visited Miss Olive Johnson Sunday. Messrs. J. A. Crowson and A. L. Kime of Julian motored over one day last week and visited at the homes of Mrs. Crissie Spence and Mr. T. M. Crowson. Miss Leota Briles has returned home after spending the last two months with her aunt, Mrs. Tom Farlow. The Wesleyan Methodist tent meeting to be held near the home of Mr. Sam Wall will begin the 3rd of August.

Misses Gertie and Alice Farlow and Alta Rush

Misses Gertie and Alice Farlow and Alta Rush spent the week end with relatives in Trinity. They were present for the surprise birthday party given to Miss Vera Farlow Saturday night. Miss Rush is from Asheboro but has been spending some time with her grandparents, Mr. and Mrs. David Farlow. The following delegates were elected Sunday to represent our Sunday Schools at Pleasant Grove convention next Sunday: Gilead, Mr. Benj. Lanier, and Miss Olive Johnson; Mt. Pleasant, Mr. J. W. Welborn; Poplar Ridge, Miss Olive Johnson and Mr. George Spencer. Misses Clara Briles and Virgie Sawyer left Sunday for Asheboro where they will visit friends, and also take the teacher's examination.

UNSHAKEN TESTIMONY

Time is the test of truth. And Doan's Kidney Pills have stood the test in Asheboro. No Asheboro resident who suffers backache, or annoying bladder ills can remain unconvinced of this twice-told testimony.

Mr. Hugh J. Burns, N. Fayetteville St., Asheboro, says: "I suffered severely from kidney complaint. It began with pains across the small of my back and later, I suffered from dull headaches and dizzy spells. My kidneys acted irregularly and caused me no end of annoyance. After I had used Doan's Kidney Pills a short time, I felt better. Six or eight boxes cured me of the attack."

OVER SEVEN YEARS LATER

Mrs. Burns said: "I shall continue to recommend Doan's Kidney Pills as long as I receive such good results from them. Whenever my kidneys are the least disordered, a few boxes of Doan's Kidney Pills give me quick relief." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Burns has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

HERE AND THERE

What Our Field Correspondent Hears and Thinks—Items of Interest Picked Up Over the County.

Asheboro needs a cotton mill. What are we going to do about it? Mr. E. M. Long and a Mr. Hoffman of Burlington have purchased the roller mill at Randleman from Messrs. Ed Miller and Clark Johnson and will conduct the same in the future. They come well recommended and they will be well received in Randleman and community. Mr. W. S. Staley of Liberty Route 1 is a good big hearted, all around fellow and he and his family read the grand old Courier just like all good folks. Mr. Claud Gregson has his home in Providence township well on the way and will soon have a handsome house erected. It is reported that he is a candidate for matrimony.

Mr. T. G. Coble, a prominent citizen and business man of Julian, has had his subscription to the Courier moved up one year. Your correspondent spent last Friday night with Mr. John Stout at Red Cross. This is a good place to stop at. Mr. Stout is one of the county's best and most successful farmers.

When I was over Davidson county this spring I noticed that the best farmers in the county were keeping in close touch with the county demonstration agent. Davidson county farmers are not a whit behind their brother farmers in other parts of the state. The day of twenty bushels of corn to the acre is passing with many other things. The farmers who keep in touch with the county agent are the ones who work on their farms 313 days in the year. Mr. W. G. Yeager, the county agent, is rendering great service to the county. Some people seem to be of the opinion that it will pay farmers to hold wheat. It does seem that the price will be better than it now is but for us to say what is best for the other man's business is going a step further than we feel capable of going.

It was our opportunity to visit nearly every section of the county last month and we are glad to meet people and meeting people, and friends and acquaintances is as useful a thing as a man can do. It certainly tones up the system and gives you a new view on things. The exchanging of ideas is like the striking of two rocks it makes sparks of thought fly. The man who does not meet people soon grows stale. Mrs. Frank Jones of Franklinville R. 1 has sold about \$75 worth of eggs this year. She has some very fine chickens. This is an important work—that of raising good chickens. The hen is one of the great wealth producers of the nation. Mr. L. B. Parks of Seagrave has our thanks for renewal of his subscription to the Courier. Mr. Parks has a pleasant home, is genial and courteous in his manner and is popular with all who know him. The T. J. Finch farm in Trinity township looks to be in apple pie order as do all the others in that section. It is such a pleasure to see the people who build communities and establish them on a foundation that means future prosperity, and that section is deeply indebted to him for his valuable share in its remarkable growth.

If the average farmer worked 313 days in the year as steadily as the other man who goes day by day with the clock, whistle, etc., he would soon become a man of wealth the country over. Mr. Albert Hunt of the Hannersville section has erected a new dwelling. It is a splendid home. He owns a good farm and is a fine fellow. Mr. W. E. Rollins of Central Falls will please accept our thanks for favors received. He is a good citizen and cannot do business without The Courier.

Mr. J. T. Lambert of Moffitt has been in the mercantile business for a long time and his standing with the entire people is assured by the patronage of a large and regular custom among them. Those desirous of hearing the opinions of a naval expert have only to stop, look and listen at any street corner. We believe that tobacco is another crop that may be grown most successfully around Asheboro and it is hoped that the farmers may come to grow this crop in great quantities, as it is a great money maker and a town builder.

Mr. S. L. Patterson, a prominent citizen of Julian has our thanks for \$2.00 on The Courier. Mr. Patterson believes in the paper and says that no man has a right to starve his mind and more than his body.

Mr. Ed Goley remains in about the same serious condition at his home in the Julian section, not getting any better and gradually losing strength.

Mr. S. E. Kirkman of Randleman is numbered among our renewal subscribers this week. Mr. Kirkman is a fine man and is well liked by all who know him.

Mr. R. L. Vickery, a good citizen of Providence township, is preparing to erect a fine dwelling in the near future.

Mr. Oscar Goley is in a hospital at Greensboro and it is thought he will have to undergo an operation. The many friends of Mr. Goley trust he may soon recover and be able to return to his home near Julian.

Mr. F. E. W. Davis has purchased the John Ferguson house on High Point street, in Randleman and will move his family into it in the near future.

Mrs. Velna Berry of Climax R. 1 has our thanks for a renewal of her subscription to the Courier. She says it would be a hard matter for her to get along without The Courier.

There are more pretty girls to the square inch in Liberty than any town we know of.

Mr. Coy Tucker has 25 acres of fine corn on his farm, about 5 miles west of Seagrave. Mr. Tucker is a good farmer and a progressive man.

What is said by those who observe falls to be one of the heaviest rain falls that has visited the Julian section in years, descended upon Julian last Friday evening. The shower was short, but the amount of water that fell was enormous.

Mr. D. L. Fox has purchased the Miss Angie Frazier house in Randleman.

Mr. Harvey Hinshaw is erecting a nice dwelling on his farm in Providence township.

We are edging up a little nearer to the time when this whole section will be in the middle of a season of (you think we are going to say blackberry wine and cider) but we are not, it's Muddy Creek watermelons we are driving at.

Mr. Alfred York of Liberty R. 1 made 491 1/2 bushels of wheat this year. Mr. Aaron L. York of the same neighborhood made 528 1/2 bushels of wheat.

Mr. A. E. Staley of the Julian section made 400 bushels.

Mr. George Bean, a prominent citizen of the Seagrave section, has bought the late Dr. Will Fox place at Randleman and will move to it this fall and open up a dairy business.

Keep your eye on Asheboro and watch her grow. Whenever you go on your vacation—to the mountains or seashore—let The Courier follow and keep you well informed on the happenings at home. One year \$1.50; six months, 75 cents; four months, 50 cents.

Mr. J. H. Fentress of Franklinville believes in The Courier and he takes pride in his reputation as the hardest working man in his town.

Mr. Vernon Caudle of Randleman has his right arm broken recently while cranking his Ford car.

Mr. W. E. Allred of Providence township has erected a new dwelling. It is a splendid home.

Mr. C. P. Barker, a prosperous young farmer near Climax, has a fine farm and a beautiful home. He cannot do business without The Courier. Mr. C. A. Pugh, a prosperous farmer of Randleman R. 1 will please accept our thanks for favors received. Mr. W. S. Crowson of Julian has the finest cotton we have seen. Mr. Crowson farmer and a splendid citizen.

Mr. George Richardson of Millboro R. 1 is one of our best farmers. He is in love with his work, and that always means success.

Mr. W. P. Pickett of the Julian section owns a good farm and a beautiful home. He is a good farmer and is a good citizen.

The Acme Foundry and Machine Company of Randleman have moved into their new home south of the depot. They have erected a special building and when it comes to general repairing and foundry work this concern stands at the head of the list. Mr. J. C. Robbins, who is general manager, will assure that you right if he knows how.

YES! LIFT A CORN OFF WITHOUT PAIN! Cincinnati Authority Tells How to Dry Up a Corn or Callus so It Lifts Off With Fingers

You corn-pestered men and women need suffer no longer. Wear t.e shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezeone applied directly on a tender, aching corn or callus, stops soreness at once and soon the corn or hardened callus loosens so it can be lifted out, root and all, without pain.

A small bottle of freezeone cost very little at any drug store, but will positively take off every hard or soft corn or callus. This should be tried, as it is inexpensive and is said not to irritate the surrounding skin.

If your druggist hasn't any freezeone tell him to get a small bottle for you from his wholesale drug house. It is fine stuff and acts like a charm every time.

Bennett Items

Bennett, July 7.—Miss Lena Ward of Millboro is visiting at the home of Mr. B. C. Routh.

Mr. Green Murray, who has a position at Greensboro, is at home this week.

We learn that the Christian church will be ready for holding the revival meeting the first week in August.

There will be a Sunday school rally day at Fall Creek Baptist church the 5th Sunday in this month. Mr. T. B. Hancock of Thomasville will be one of the speakers.

We have had our share of newsboys and shoe shine boys until they became lazy and quit. A good way to get rid of one is to buy a paper or get a shine on a credit.

Bennett is going to be a good market for chickens and eggs. We already have two cash buyers here, Messrs. George and Ed. S. Phillips.

Rev. E. W. Kidd has been confined to his room for several weeks with illness.

We hear much complaint of the rough roads leading into Bennett, especially the road from Randolph. We hope this Randolph county road will be completed before winter sets in.

Mr. A. D. Phillips attended the fourth of July celebration at Siler City and from there went to Sanford and later to Goldston.

Attorney J. H. Scott has moved his law office into the Bennett Lumber Company's office building.

There is a movement on foot to establish a knitting mill at this place. Those who are interested should push it along. We hope some day to see Bennett a second Atlanta.

GIRLS! LEMON JUICE IS SKIN WHITENER

How to Make a Creamy Beauty Lotion For a Few Cents

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quart of the most remarkable lemon skin beautifier at about the cost one must pay for a small jar of the ordinary cold creams. Care should be taken to strain the lemon juice through a fine cloth, so no lemon pulp gets in, this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier. Just try it! Get three ounces of orchard white at any drug store and make up two lemons from the grocer and make up a quart pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands.

SOME TRIED RECIPES

Canned Berries

For dewberries, blackberries, and raspberries, practically the same methods of canning may be used. The condition of the fruit will have much to do with the quality of the product. The berries should be gathered in shallow trays or baskets and not in deep vessels, which allow them to be bruised and crushed. They should be uniformly ripe, sound, and as large as possible.

The flavor of canned berries will be finer if sugar is used in canning. It is best to make this into a syrup. The use of berry juice instead of water in this syrup will give a richer color and flavor. For fine berries, use a syrup of 30 degrees density (about 3 1/2 pounds sugar to one gallon juice or water).

String Beans

Select young and tender beans, string them, and break them into short lengths. Pack firmly in the jar cover with cold water, and add a teaspoon of salt to each quart. Put on the rubber and top and boil for one hour on each of three successive days, as directed under "Corn." A small pod of red pepper placed in the bottom of the jar will give a delightful flavor to this vegetable.

Summer Squash

Cut the vegetable into small blocks, pack in the jars, and cover with water. Add a teaspoon of salt to each quart and sterilize. It is sometimes preferable with this vegetable, however, to pare off the skin, boil or steam until thoroughly done, mash them, and then pack in the jars and sterilize. If canned in the latter way, it is advisable to steam them for an hour and a half, instead of for an hour, on each of three days, as the heat penetrates the jar very slowly. It is absolutely necessary that the interior of the jar should reach the temperature of boiling water. A jar will usually hold about twice as much of the cooked vegetable as it will of the uncooked.

Tomatoes

Every housewife knows how to can tomatoes. They are very easily kept, even in the common screw-top jar. If one already has on hand a number of jars of this pattern, it is best to use them for preserves or for canning tomatoes and to purchase the more modern styles for canning other vegetables. In using the screw-top jars be careful to steam them first by placing in cold water, bringing to a boil, and boiling for about ten minutes. The rubber and top should also be immersed in boiling water for the same length of time. Remove them from the boiling water when needed, handling as little as possible. Be careful not to put the fingers on the inside of the top or the inner edge of the rubber. Fill the jar with the cooked tomatoes while steaming hot, put on the rubber, screw on the top firmly, invert it, and let it stand in that position until cool.—Department of Agriculture.

Announcements of Protracted Meetings

Hopewell, 3rd Sunday in July, Rev. T. B. Johnson, pastor.
Mt. Pleasant, 4th Sunday in July, Rev. Loy, pastor.
Mt. Zion, 5th Sunday in July, Rev. Loy, pastor.
Wesleyan Methodist tent meeting, near Sam Wall's residence, 1st Sunday in August to be held by Rev. Jones and Hill.
Pleasant Hill meeting, 2nd Sunday in August, Rev. T. B. Johnson, pastor.
Ebenezer, 4th Sunday in August, Rev. T. B. Johnson, pastor.
Shepherd, 2nd Sunday in August, Rev. J. M. Varner, pastor.
Mt. Gilead, 2nd Sunday in September, Rev. T. B. Johnson, pastor.

Millboro News

Millboro, July 9.—Mr. John M. Alldred is spending several days in New York City. Mr. Luren McDaniel of Greensboro visited his uncle, J. T. Hays, last week. Mr. Tom Burns of Goldston, who has been relieving J. T. Hays agent here for fifteen days left Saturday. Rev. J. A. Ellis pastor of first Baptist church, Dunn, N. C., spent Friday and Saturday here with relatives. Miss Geneva Underwood, who has been visiting her sister in High Point, returned home Wednesday.

Mr. and Mrs. John Pugh spent Saturday and Sunday at Cedar Falls. Mr. Benton Ellis and sister, Miss Mayne, attended the S. S. convention at Pleasant Cross Sunday.

Davidson county has recently purchased two new road trucks to be used on the roads of the county.
