Bad Backache

Such agonies as some women suffer, every month, from backache!

Is it necessary? No. It can be prevented and relieved, when caused by female trouble, by taking a medicine with specific, curative action, on the female organs and functions, which acts by relieving the congestion, stopping the pain and building the organs and functions up to a proper state of health. Try.

WINE OF CARDUI WOMAN'S RELIEF

"I suffered for 15 years," writes Mrs. Mallada A. Akers, of Basham, Va., "with various female troubles. I had such a backache that I drew me over, so I could not stand straight. The doctors could not help me, so I took Cardui, and now I feel like a new woman."

Miss Dollie Masters has had her school put off till October on account of her brother's illness.

The school is progressing nicely under the management of Miss Janie Gillespie at Greentown.

Thomas Masters is very low with typhoid fever. The doctor almost gave him up. He is on the mend now.

J. M. Garrett of Piedmont, S. C., was the guest of Miss Dollie Masters last week. He was perfectly carried away with the scenery of the mountains and the good water we have. He visited Rosman while here and met with some of his old friends from Piedmont. JUNISSE.

"I didn't know your mother was seriously ill," said the neighbor. "She isn't," replied the dainty daughter. "What made you think that?" "I saw you washing the dishes this morning." And now they never speak as they pass by.—Detroit Free Press.

Editorial Snapshots.

□ We wonder how our old home-raised Transylvania republicans feel when a stranger writes in a Henderson county paper and tells them to vote for a Jackson county man for Transylvania sheriff. To us democrats that looks like going a long way round to get home.

Will some of you good geography students tell us if "Canada" is not an English province? Seems to us as if it must be for we notice that the "English" and people from "Canada" are mighty good friends; so good that the "English House of Lords" give good nominations to a certain man from Canada.

Say, you good old rock-ribbed radicals; you who have "fit and bled and died" for your party in Transylvania for the last forty odd years, how long is it since you got so old and feeble that you had to get your instructions from a Henderson county paper as to how you should vote for a Jackson county man for sheriff of Transylvania?

Look here, Len! You say you believe in high tariff because it protects home-made goods and keeps out foreign goods. Now why aint you consistent? Why don't you protect our home-made, home-grown Transylvania men and give them the nominations in your party instead of going to Jackson and getting your candidate?

Granulated Sore Eyes Cured.

"For twenty years I suffered from a bad case of granulated sore eyes," says Martin Boyd of Henrietta, Ky. "In February, 1903, a gentleman asked me to try Chamberlain's Salve. I bought one box and used about two-thirds of it, and my eyes have not given me any trouble since." For sale by O. L. Erwin, Rosman.

If you have an ambition to be popular, don't tell people about yourself. Let them talk to you about themselves.—Aitchison Globe.

"I am going to have my photos taken. I hope they will do me justice." "I hope so, too—justice tempered with mercy."—Judge.

"Did you have to help him out when he proposed?" "No. Papa helped him out."—London Answers.

Get the Most Money Out of Your Lands

by making them yield the biggest possible crops. Grain must get the nourishment that makes it grow out of the soil—and the more plant food there is in the soil, the quicker and bigger and more plentifully the grain will grow. But you must first put the food into the soil by liberally using

Virginia-Carolina Fertilizers

Then a big bumper crop is assured, because these fertilizers contain the necessary elements required by the soil to properly and fully mature the grain. Farmers invariably find that the more Virginia-Carolina Fertilizer they use, the bigger is the crop, and the greater their profit.

Have you gotten the latest Virginia-Carolina Year Book or Almanac, the most useful and valuable book any farmer or grower can read? Get a copy from your fertilizer dealer, or write to our nearest sales office and one will be sent you free.
