## STOMACH TROUBLE FOR FIVE YEARS

Majority of Friends Thought Mr. Hughes Would Die, But One Helped Him to Recovery.

Pomeroyton, Ky.—In interesting advices from this place, Mr. A. J. Hughes writes as follows: "I was down with stomach trouble for five (5) years, and would have sick headache so bad, at times, that I thought surely I would die. I tried different treatments, but they did not seem to do me any good. I got so bad, I could not eat or sleep, and all my friends, except one, thought I would die. He advised me to try Theodor's Black-Draught, and quit

taking other medicines. I decided to take his advice, although I did not have any confidence in it.

I have now been taking Black-Draught for three months, and it has cured me—haven't had those awful sick headaches since I began using it.

I am so thankful for what Black-Draught has done for me."

Theodor's Black-Draught has been found a very valuable medicine for derangements of the stomach and liver. It is composed of pure, vegetable herbs, contains no dangerous ingredients, and acts gently, yet surely. It can be freely used by young and old, and should be kept in every family chest.

### ROSMAN NEWS

(Too late for last week.)

Mr. and Mrs. Ernest Paxton are the happy parents of a fine eleven-pound boy, born July 11th.

Mrs. Marcus Williams has been critically ill for several days, but is some better at this time.

The addition to the extract plant has been completed and another addition of about the same size is being added.

We noticed in your paper some time ago that it stated Rosman was complete for it had a negro boot black, but since then there have been two more additions—an auto and a woman business preacher.

We were very sorry to learn that the board of education did not see fit to re-elect Prof. Henderson county superintendent. While he has been in the office for a great while we think it would be best for the schools for him to remain in, for we do not believe there is a man in the county that would give the work the time and attention it has been receiving from Mr. Henderson.

There was a good singing at the Baptist church last Sunday afternoon. Prof. Higgins of Henderson county was present.

A series of protracted meetings will begin at the Baptist church on Sunday, July 25. The pastor, Rev. J. N. Lee, will be assisted by Rev. J. R. Owen, of Mars Hill.

A ROSMANITE.

### Cured of indigestion.

Mrs. Sattie P. Clawson, Indiana, Pa., was bothered with indigestion. "My stomach pained me night and day," she writes. "I would feel bloated and have headache and belching after eating. I also suffered from constipation. My daughter had used Chamberlain's Tablets, and they did her so much good that she gave me a few doses of them and insisted upon my trying them. They helped me as nothing else has done." For sale by all dealers.
