### IN MARION

Statements of Marion Citizens  
Are Always of Interest to Our  
Readers.

To many of our readers the streets of Marion are almost familiar as those of our own town, and we are naturally interested to read of happenings there. The following report from a well-known and respected resident will be helpful to numbers of men and women here in Brevard.

J. A. Langhridge, sheriff, Flemming avenue, Marion, N. C., says: "My back ached and the kidney secretions passed too frequently, obliging me to get up at night. Doan's Kidney Pills helped me from the first and by the time I had finished one box the pains had left my back and my kidneys were in good shape."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Langhridge had. Foster-McIlburn Co., Props., Buffalo, N. Y.—Adv.

General Carranza has given notice that he will not receive communications from or transact business with foreign governments which have no diplomatic agents accredited to his government to Vera Cruz.

Arthur Warren sailed from Greenville, N. C., to Washington, N. C., last week in an ordinary bath tub, thus winning a \$50 wager.

### Paint Put-on

Think of paint put-on and not by the gallon.

A gallon of paint in the can is of no account to anybody. Put it on. Now reckons cost and value.

The secret is: one paint goes twice as far as another. A good one goes twice as far as a bad one.

You have a job, say an average job. It'll take 10 gallons of best and 12 or 15 or 18 or 20 of building poor very poor and trash. You know painter's wages in your town. Put the price of a gallon of paint and the painter's day wage together. You can weant.

Decor costs less than any inferior paint; there are hundreds of them.

One paint is as good as another, so long as it lasts good; one lasts months, and another years, and the one that goes furthest lasts longest.
