J. L. LANCE DEAD

T. L. Garren of Selma was in town last week and told of the death on Wednesday of J. L. Lance, aged 71 years. Rev. A. W. McDaniel conducted the funeral service from Cathey's Creek church on Friday and interment was made in the church cemetery. Surviving are six daughters and two sons.

PENROSE LOCALS

Too late for last week.

On last Tuesday night a week ago the committee of our school district met with a number of the patrons and formulated plans for the reconstruction of our school house inside and out, painting, etc. It was decided that a general terracing, leveling and fixing up of the campus should be done at once. It was determined that a dormitory should be built just as soon as possible, and for which purpose the sum of \$575.00 was raised in the meeting as a beginning. It was further decided that the church should be worked over and painted, and A. C. and A. D. Lyday, members of the committee, being present, in the absence of the chairman, W. L. Talley, who could not be present owing to the illness of his wife, appointed Dr. W. E. Barker, J. B. Summey and Principal A. F. Mitchell to select funds for the joint purposes of the church and the school.

RECIPE FOR GRAY HAIR.

To half pint of water add 1 oz. Bay Rum, a small box of Barbo Compound, and 1 oz. of glycerine. Apply to the hair twice a week until it becomes the desired shade. Any druggist can put this up or you can mix it at home for very little cost. Full directions for making and use come in each box of Barbo Compound. It will gradually darken streaked, faded gray hair and removes dandruff. It is excellent for falling hair and will make harsh hair soft and glossy. It will not color the scalp, is not sticky or greasy, and does not rub off.
