Paint Saves Repair Bills

Buildings quickly go to ruin when left exposed to the elements. Good paint forms a coating which protects from rain, snow, sunshine and all weather conditions. It prevents decay and deterioration.

ACME QUALITY HOUSE PAINT

gives great durability and lasting beauty. It costs less than other paints because it takes less and lasts longer.

Let us show you suitable color combinations for your house and estimate the quality of paint you will require.

You "Speed Bugs"

will be interested in the big assortment of motorists' glasses to be found here—Ford or Packard quality, and full value in each pair.

And whether you drive a Ford or a Packard, don't forget that the selection of a pair of goggles is more important than is generally believed. There are many things to be considered—size, shape, quality of lenses and the particular shade or color that will be most restful in your individual cases.

Goggles with lenses ground to your prescription at reasonable prices.
