BETTERMENT ASS'N PLANS CLEAN-UP

BREVARD BEAUTIFICATION ENTHUSES THE LADIES

Betterment Association of Brevard Takes Forward Step in Cleaning up the Town.

Beauty, cleanliness, sanitation and health have found their zealous advocates in the organization of the Brevard Betterment association.

The cleaning-up and beautification of Brevard was the all-inclusive and principal subject before the association on Tuesday and the great needs of activity on the part of the city was so strongly presented in the discussions that they came to a head in the appointment of a committee by the president, Mrs. O. L. Kravin, to look further into the work and make recommendations or take steps looking to the furtherance of the campaign.

The discussion was quite lively and while the association does not wish to appear as assuming the duties of others, the members are unanimous in the belief that Brevard is sadly in need of a touch-up.

The committee appointed by Mrs. Kravin consists of Mrs. J. S. Silver, chairman, Mrs. Henry N. Carter and Mrs. Ora L. Jones.

Plans were also discussed for beautifying and improving the graded school grounds.

The News has promised cooperation in this campaign by undertaking and the efforts of the association may result in a special "clean-up and paint-up" edition of the News.
