## ZEB WEAVER ASKS FOR DEMOCRATIC SUPPORT

SEEKING CONGRESSIONAL  
PRIMARY NOMINATION

Announces Nature of Campaign  
In Event he Wins Nomina-  
tion; His Record.

I beg to announce that I am a  
candidate for the Democratic nomi-  
nation for Congress and will sin-  
cerely appreciate the support of the  
Democratic voters in the primaries  
to be held on June 3, 1916.

To those to whom I am not per-  
sonally known I will say that I live  
in Asheville and represented Bun-  
combe county in the legislature  
four times, twice in the House and  
twice in the Senate. At the last  
election my majority in Buncombe  
county was more than one thousand  
votes.

If nominated it is my purpose at  
once to begin an active organiza-  
tion of the Tenth District and I  
wish to assure the Democrats that  
I will give all the time necessary  
and use every honorable means to  
place the district again in the dem-  
ocratic column.

ZEBELON WEAVER.  
This May 24, 1916.—Adv.

Daily Thought.  
Try it for a day, I beseech you, to  
reserve yourself in an easy and  
cheerful frame of mind. Be not for  
one day, instead of the fire-worship-  
per or passion, the sun-worshiper of  
clear self-possession, and compare the  
day in which you have rooted out the  
weed of dissatisfaction with that on  
which you have allowed it to grow  
up; and you will find your heart open  
to every good motive, your life  
strengthened and your breast armed  
with a paucity against every trick of  
fate—truly you will wonder at your  
own improvement.—Fichter.

## TEACHERS' EXAMINATION TO BE HELD JUNE 8

As I am planning to attend the  
Summer School at the University  
of North Carolina this summer,  
which opens June 13 and continues  
six weeks, I have decided to hold  
an examination for teachers, who  
have been holding second or third  
grade certificates or who have no  
certificates at all, on Thursday,  
June 8, beginning at 9:30 o'clock.

If one day is not sufficient, the  
examination will be concluded on  
Friday. The examination on the  
Teachers' Reading Course will not  
be given at this time. Arrange-  
ments will be made for that later.

tended an old-time foot-washing at  
the Old Toxaway Baptist church.

The people are liking the News  
for the great amount of news it  
contains. More people should sub-  
scribe for it.

## CONNESTEE NEWS

People ought to come out to  
Connestee and see Frank Zachary's  
corn crop. He certainly has made

It seems a pity that there are a  
few people who for some reason  
don't take the News, which should  
go to every home in the county.  
It is worth far more than it costs.

Whit Henderson lost a fine mare  
last week.

The deacons of all the churches  
are invited to attend the meeting

# Another Saturday of Bargains At Plummer's

The word "bargains" is without a doubt the most abused word used today in modern mer-  
chandising. When Plummer advertises a bargain sale it means BARGAINS—value-giving in  
the highest sense of the word; merchandise at less than the other stores will sell it.
