### CALL TO DEMOCRATIC ARMS BY WM. E. BREESE

EMPHASIZES IMPORTANCE OF HEAVY PRIMARY VOTE

Chairman of Democratic Executive Committee Tells How to Redeem the County.

To the Democrats of Transylvania County:

"On Saturday, July 15, the primary for nominating the various candidates for county offices on the Democratic ticket will be held in Transylvania county.

It is hoped that there will be a large vote as the nomination will be by popular vote and not by precinct strength and the candidates receiving the greatest number of votes will be declared the winners and nominees of the Democratic party.

The hours for holding the primary will be between 12 and 4 o'clock on Saturday July 15 except in Brevard precinct, where the polls will be kept open from 12 to 7.

Every Democrat owes it to the party to come out and vote in the primary and after voting for his choice in the primary, if his man is beaten, to take off his coat and help elect the successful candidates.

While the primary is necessary to select in the wishes of the voters as to whom they want to make the races for the various offices, the most important fight will be in the general election in November and our main object should be to nominate the strongest men, the best men, for each office on July 15 and then elect those men to office on November 7.

In working for our choice for the nomination do not let us become over zealous and say or do anything that will cause heart burnings or hard feelings in the election. We must elect as well as nominate. We must not let our personal feelings, our likes or dislikes, interfere with our politics. While we may not get the man we want nominated, still we all know that any man securing the nomination on the Democratic ticket is the one we prefer to the Republican nominee.

We can carry this county and put it back in the Democratic column in November by the united efforts of the Democrats of the county. The Republicans have never won the elections by their majority but have won by the overconfidence of the Democratic voters and by some of our good men believing that we could carry the county without their help.

It will take the united work of every Democrat in the county to elect our ticket, and the future welfare of Transylvania, the economical administration of our affairs, and the good government of our county demands that every man lay aside his personal feeling and work for the Democratic party and its nominees and by harmony, hard-work and honesty we can redeem Transylvania.

Democracy expects every man to do his duty and let every man come out to the primary and vote for his choice and whoever the greatest number of people in the county want to run, will be the nominees of the Democratic party.

Hoping to have the full Democratic strength polled at the primary and predicting a Democratic victory in November by the help of every Democrat in the County, I am,

Yours for Democratic Success,  
W. E. Brees, Jr.,  
Chairman Dem. Executive Com.

Arranged Interesting Athletic Program; Good Addresses; R. R. Williams Speaker.

The Junior order of Brevard provided good wholesome entertainment for the county at the Fourth of July celebration, which was enjoyed by a large number of people.

National Councilor C. B. Webb was unable to be present. The principal speaker was State District Deputy Robert R. Williams of Asheville. He measured fully up to his reputation as an interesting speaker. He spoke on the subject of patriotism of a country and the patriotic principles of the Junior order. He took occasion to compliment the local order upon its excellent work and rapid growth to a membership of 148.

Vice Councilor W. E. Brees, jr., presided at the speaking and introduced the speakers with timely remarks. In the absence of J. P. Kitchen of Asheville and Mr. Webb, both of whom had been expected, State Commissioner of Labor and Printing M. L. Shipman, who was visiting in Hendersonville, was called into service as a speaker. His talk was informal, though interesting to his many Transylvania friends.
