Educated Rooster.

"Spitzerinkum" is an old name even for a rooster, but this rooster is no ordinary fowl. The bird comes from a strain of Banded Plymouth Rocks, was hatched last May and weighs six pounds. He is owned by E. E. Bennett of Hartford City, who refuses to part with his prize-winner at any price. Judges at various fairs where he has been shown, have told the owner that he is a most promising bird, and this is borne out by the fact that \$100 has been offered for him.

"Spitzerinkum" is also an educated fowl. One of his chief delights is riding the seat of a speedily constructed wagon and holding the reins over eight boys who act as steeds for him. He drove this team in the continental parade at Hartford City, Indianapolis News.

Strong Drinks Irritate

Strong drinks like beer, whiskey, tea and coffee, irritate the kidneys and habitual use tends to weaken them. Daily headache, with headache, nervousness, dizzy spells and a rheumatic condition should be taken as a warning of kidney trouble. Cut out, or at least moderate, the stimulant, and use Doan's Kidney Pills. They are fine for weak kidneys. Thousands recommend them.

I. F. Williams, Johnson St., Marion, S. C., says: "I was all run down from kidney trouble and doctors held out no hope for my recovery. I have had no more of kidney trouble since and I give Doan's Kidney Pills the credit for saving my life."

VILLA AND MEN GO FOR MUNITIONS

ON MARCH TO SOUTH OF PARRAL WHERE ARMS AND HORSES ARE HIDDEN.

CONFIRM DEATH OF FISHER MANY PROMINENT SPEAKERS

Passengers from Chihuahua City Tell of Conditions and Confirm Many Reports—Claims Villa Has 7,000 Men.

El Paso, Texas.—Francisco Villa and his main command are marching toward Mesa de Sahagun, 35 miles south-west of Parral, where a quantity of ammunition and arms and a large drove of horses are known to be hidden for the Villa forces, according to an American refugee from Chihuahua City. These are hidden in the ranch of General Urbina, the Villa general, who was killed by Villa troops because he would not divide his loot with Villa.

Passengers arriving from Chihuahua City said that the feeling of apprehension among the people there had been greatly allayed because of the arrangements of General Trevino to protect the city against a surprise attack. No reports have been yet received regarding the Americans in Parral, they said, but refugees from Santa Rosalia confirmed the death of Dr. C. H. Fisher, an American at the hands of the bandits who raided that place.

The Associated Press correspondent at Chihuahua City, who reached the border was informed before leaving Chihuahua City that Dr. Encarnacion Bernal, the physician of Guernero, Chihuahua, who has been made prisoner by Villa and forced to treat the bandit's wounded leg, was in Guerrero Saturday in charge of Villa's temporary field hospital. Dr. Bernal is a Mexican citizen and a British subject. He was reported recently by refugees from Chihuahua City as having been killed by Villa bandits.

It was reported to the German Consul at Juarez that a Belgian subject had been killed in Santa Rosalia by Villa forces, but this was not confirmed. A Spaniard who arrived from Chihuahua City last night claimed to have confirmation of the report that Dr. C. H. Fisher and another American physician at Santa Rosalia had been shot to death by Villa bandits.

Refugees say seven thousand men followed a conservative estimate of the number of men Villa has. Carranza soldiers, refugees say, are joining Villa daily.

NEW HEAD OF A & M TAKES SEAT FEB. 22

ELABORATE INAUGURAL CEREMONY PLANNED TO CELEBRATE THE OCCASION.

Prof. W. C. Riddick Will Be First President of A. & M. That Has Been Given Inaugural Ceremony.

West Raleigh, February 22 has been set as the date for the inauguration of Prof. W. C. Riddick as president of the North Carolina College of Agriculture and Mechanical Arts, at a meeting of the faculty committee on arrangements, held for a discussion of a tentative program and speakers for the occasion.

One of the principal reasons for selecting this date was that being a holiday, more of the alumni and friends of the college would be able to leave their business to come back and pay their respects to the new executive.

The board of trustees has made a suitable appropriation to make the occasion an elaborate one and has appointed a committee on arrangements composed of Prof. W. A. Withers, chairman; Prof. J. W. Harrison and Prof. C. L. Newman, Alumni Secretary; Buxton White was selected as its secretary.

While the various speakers were not fully developed upon all details, it is assured that there will be a distinguished delegation of technical and academic men to represent the institutions and societies of learning throughout the country making the occasion one of much dignity. Capt. H. H. Broadhurst, commander of the cadet corps, was named as chief marshal and will have charge of the arrangements for the inauguration procession and the seating of the audience.

It is the first time that a president of A. & M. has been given an inaugural ceremony. The inauguration will be held at 10 o'clock and will be broadcast on the radio.

Health for Sick Women

For Forty Years Lydia E. Pinkham's Vegetable Compound Has Been Woman's Most Reliable Medicine—Here is More Proof.

To women who are suffering from some form of woman's special ills, and have a constant fear of breaking down, the three following letters ought to bring hope:—

North Grandon, Wis.—"When I was 16 years old I got married and at 18 years I gave birth to twins and I left me with very poor health. I could not walk across the floor without having to sit down to rest and it was hard for me to keep about and do my work. I went to a doctor and he told me I had a displacement and uterus, and would have to have an operation. This frightened me so much that I did not know what to do. Having heard of Lydia E. Pinkham's Vegetable Compound I thought I would give it a trial and it made me as well as ever. I cannot say enough in favor of the Pinkham remedies."—Mrs. MARY ANN ABRAHAM, North Grandon, Wis.

Testimony from Oklahoma.

Lawton, Okla.—"When I began to take Lydia E. Pinkham's Vegetable Compound I seemed to be good for nothing. I tried easily and had headache much of the time and was irregular. I took it again before my little child was born and it did me a wonderful amount of good at that time. I never fail to recommend Lydia E. Pinkham's Vegetable Compound to illing women because it has done so much for me."—Mrs. A. L. McCASLAND, 509 Howe St., Lawton, Okla.

From a Grateful Massachusetts Woman.

Roxbury, Mass.—"I was suffering from inflammation and was examined by a physician who found that my trouble was caused by a displacement. My symptoms were loping down pains, backache, and singular liver. I tried several kinds of medicine but I was asked to try Lydia E. Pinkham's Vegetable Compound. It has cured me and I am pleased to be in my usual good health by using it and highly recommend it."—Mrs. B. M. OSBORN, 1 Hazen Park, Roxbury, Mass.

If you want special advice write to Lydia E. Pinkham Medicine Co., confidential, Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
