

**TERrible WRECK;
ENGINEER VADEN
TAKEN FROM CAB**

Raleigh Man Describes His Sufferings and Tells of Final Rescue

C. F. Vaden, Engineer on the Seaboard Railroad and living at 611 West North street, Raleigh, said: "I suffered terribly from attacks of acute indigestion and, on one occasion had to be lifted from my cab. For over 10 years I suffered. I could not eat meats, vegetables or solid foods and had to live on grits and raw eggs. Nothing I tried helped me, until I got Tanlac."

"I have taken 4 bottles of Tanlac and eat anything I care to now, even cabbage, and don't have to suffer. My sleep is refreshing too. I am not a bit nervous and feel fine in every way. I already have gained 7 pounds in weight. But that is not all. My 13-year-old daughter Hazel has been completely cured of indigestion by Tanlac and has gained 10 pounds in weight and is full of health and spirits. I am pleased to have this opportunity of recommending Tanlac," he ended happily.

Tanlac is sold in Brevard only by the Duckworth Pharmacy, Hendersonville by Hunter's Pharmacy—Advertisement.

There is talk of sending our Thanksgiving offering to the fund that is being raised for the destitute war victims in Europe. Contributions for the Armenian sufferers have already been sent forward. Pullman or Freight?

No one would think of riding in a freight car if he could enjoy the comfort of a big, comfortable easy riding Pullman parlor car.

So with automobiles. Most of the popular priced cars ride like freight cars. This is due to the old fashioned type of spring.
