**REV. J. F. MORGAN ACCEPTS PISCAN FOREST PASTORATE**

Editor News.

In your issue of Nov. 21 a brief history of Pisgan Forest Baptist church appears which we read with pleasure, noting that this church became an independent body Nov. 8, 1916. Arrangements had been made for a revival previous to this time by Rev. A. W. McDaniel, pastor of Brevard Baptist church, and being conducted by the Rev. John Bonar of French Broad Baptist church of Asheville with the result that 75 were added to the church immediately after the close of the revival. A committee was appointed to find a preacher. Upon practical consideration by the committee Rev. J. F. Morgan of Hendersonville, formerly of Marlinton, S. C., was recommended to the church and called as pastor upon recommendation of the committee. He has accepted the pastorate with the understanding that he will devote one-half of his time in this field. Our church calendar at present as agreed upon will be first Sunday night, and Saturday night before the third Sunday. And also Sunday morning at 10:30 and evening services at 4:30.

Regular prayer meeting Wednesday night of each week and young men's prayer meeting on every Tuesday night. Everybody is cordially invited to attend the services and we want everybody to feel perfectly welcome and we wish to ask every Christian to pray for this young church that we may continue in the good old way, which is God's way. We are not able to express our thanks to Rev. A. J. Justice of Hendersonville and the Rev. A. W.

**NOT A WESTERN HORSE**

EDITOR NEWS:  
As it is nearing Christmas I would like to have a shot at the turkey. I saw in last week's News the Little River items that Luther Hamilton had purchased a team of western horses. Now, the News has Miss Peggie, a good News reporter but sometimes surmises the wrong thing.

I would be ashamed for the people of this county to think that I had forgiven the western horses as to confidence him any more. One should not be hurried on a word unless I had the assurance of his never being raised from the ground. I have had my share of western horses. I have a team of Kentucky horses. Now, Peggie, do not try to work a western with me.

M. L. HAMILTON.
