**W. J. MCKINNA UNLOADS
POLITICAL CONSCIENCE**

Editor, News:

In the beginning I wish to thank my friends for their support in the last election though I am sorry to say that the republican party fought itself hard in Little River township. It had a primary and urged the nomination on a man and then get from me to run on the independent ticket and did all they could to get every man elected for the same office. It is grievous that they would do that and still claim to be loyal republicans. We have some in the township who are loyal and I want to thank them for their support. The democrats beat us because the republicans got "busted up" so bad.

I didn't ask for the nomination for road overseer. They ran it over me and then put out four independents. The republican party can't beat all it wants. I am done with ring rule and bossism for I has already killed the party as I told the party four years ago it would do. Now the county is gone democratic for some years. I voted for some men and am quite sorry I did it and if the Lord will forgive me this time I never will do the like again. Stupidism is going to have its way, rule or ruin, and this is what beat Hughes and elected Wilson. I was raised a republican and am one still but I want this way of getting men drunk at the election stopped and men to act right so that every man will feel like that everybody has been treated right.

Little River township is the worst place for bossism I ever saw. Some people will have their way, and it doesn't make any difference whether they do right or wrong. If the democrats will do the right thing they can be elected again. It is time for the progressives to wake up and go to work.

With best wishes for the democrats, for they are in for some time.
I am, Respectfully,
W. J. MCKINNA

Beware of Ointments for Catarrh that Contain Mercury
Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Transmittals free.
Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

Now Let in the Spirit of Christ!
God pity the men and women who shut out of their hearts the spirit of Christ at Christmas time, even as he was shut out of the town at Bethlehem, and the spirit of self and of selfishness is, more than anything else, so completely antagonistic to the spirit of Christ. God help us to exorcise the spirit of selfish greed, essential sin, the tyranny of personal desires and of the unhallowed will, that darken the music of Christmas and all the year through near the working out of God's plan in us and with us. Oh, to bring our own hearts fully into tune with the angels' song!
Our Christmas cheer will seem the sweeter still
When we an empty cup with kindness fill,
Being needed and
To light a shade,
Or warm a breast that feels the wintry chill.
This will accord with Bethlehem's primal ray.
"Good will to men" should never pass away.
Its truth sublime
To end of time,
Borne as the motto of our Christmas day.

**BREVARD INSTITUTE
HAS HAD GOOD YEAR**

Brevard Institute will close on next Thursday for the holidays and will resume work on January 3.

Prof. C. H. Trowbridge reports a very successful year. The personnel of the student body is well up to the average and satisfactory grades have been made, with only a few failures.

The attendance has been so good that the Institute has had about all the pupils it could accommodate and correspondence indicates interest on the part of many others, some of whom will likely enter for the spring term.
