Register of Deeds.

SITES PROPOSED FOR INDUSTRIAL PLANTS

Judge W. H. Faulkner proposes to offer with the aid of the town and county sites for industrial plants. He thinks sites should be given for a flour mill, and a hard wood manufacturing plant to convert some of the raw products of the county into the finished article. The wheat mill, he thinks, would encourage the growing of wheat in this county.

New or renewal subscriptions after December 30 will cost $1.00 for one year, 50 cents 6 months, 35 cents 3 months, 25 cents for 2 months.

LITTLE RIVER SCHOOL CLOSED LAST WEDNESDAY

Little River school closed a four months' term on last Wednesday with appropriate exercises. In addition to the exercises by the pupils, Rev. W. E. Barker, Judge W. H. Allison, and Lewis P. Hamlin occupied places on the all day program with dinner on the ground.

The teachers were Luke Osteen and Miss Sallie Merrell and they made an excellent record, this school having taken rank as the banner school in the county at the recent commencement.

This is not a local tax district but sentiment is growing for an increased school tax as evidenced by private subscriptions, which have made possible the continuance of the school.

Prizes were awarded to pupils as follows:

Best average grades during year, Bonnie Kilpatrick, first; Jake Merrell, second.

Deportment, Lee George, who also won prize for most head marks.

Attendance, Ernest Merrell, who didn't miss a day.

Spelling, 4th and 5th grades, Lonie Corn; 6th, 7th, 8th grades, Newton Pickelsimer and Lessie Hamilton.

Mathematics, Hattie Merrell and Emily Moore. The former missed only half a day from school.

The enrollment was between 80 and 90 pupils.

TRY IT! SUBSTITUTE FOR NASTY CALOMEL

Starts Your Liver Without Making You Sick and Can Not Salivate.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling-off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs 50 cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition. —Advertisement.

GIFTS for A BROTHER

THE harrowing holiday question of "what to give" is again the problem that vexes the feminine soul, the difficulty of which is increased rather than diminished by the embarrassment of riches in the way of charming things displayed in the shops. The first thing to be considered in the selection of a Christmas gift is fitness.

A pair of calf boots with excellent skates to fit, like these in the cut, would warm a boy's heart.

Or give brother a dress suit case if you would wish to be held in pleasant

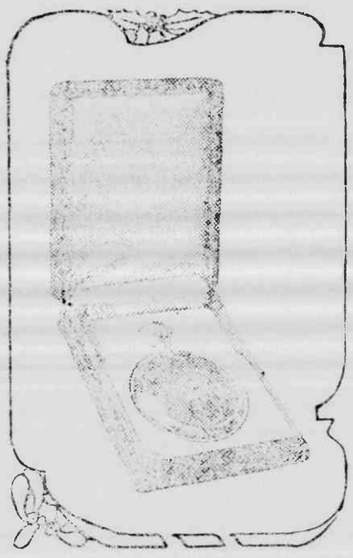
memory every time he takes a journey.

Or a small silver tipped cardcase which can be slipped into his inner waistcoat pocket.

Or if he is a university boy give him a huge red or blue silk muffler for his throat.

Or a set of books you have heard him express a wish for, and see, first of all, that the edition is a readable one.

Small boys like a watch, as suggest-



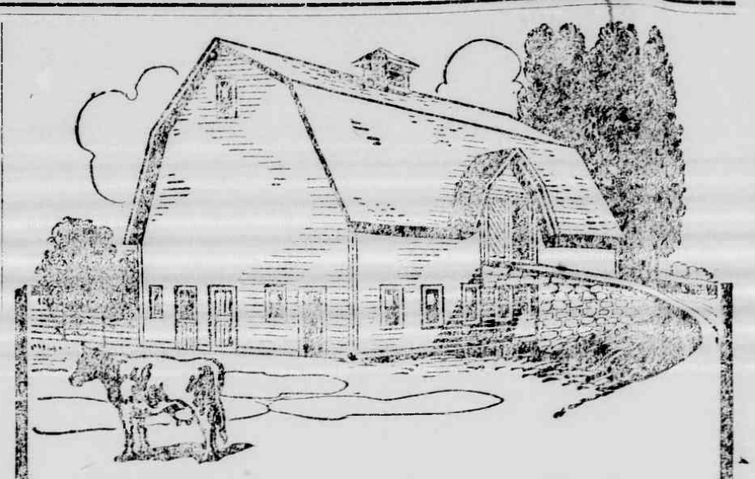
ed by the illustration, as well as pocket-knives, tool chests, a bowl of gold fish.

Silk mufflers are from $1 to $12. For about $2.75 are imported mufflers in dark colors.

If brother enjoys his clothes give him a pair of spats, fur gloves if he motors, a good cap if he skates, a magic lantern, a microscope, typewriter, sweater, camera and book for camera prints. Wall paper for his room or

a morris chair, a dog, ice cream freezer, leather sofa pillow, key ring, a desk, sleeve links, stickpin, watch chain or a motorboat, as a collective family gift, would also delight him.

If brother is small an electrical heater for his room, which may also be enjoyed by small sister, would be a happy present, enjoyable on chilly mornings.



Service to Customers

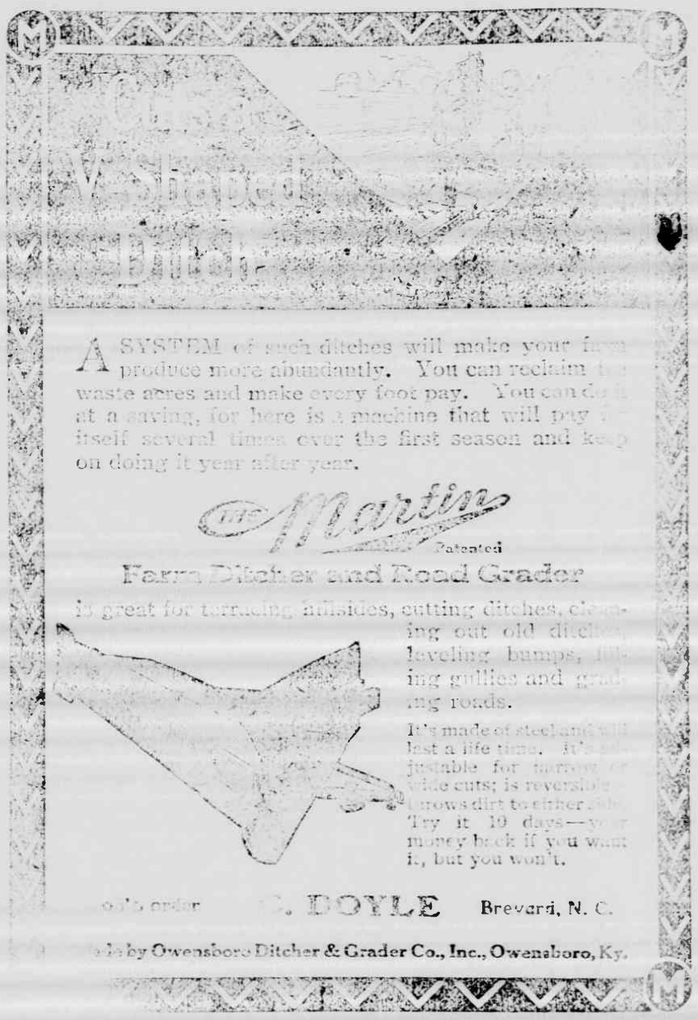
It has always been our policy to help customers save money, avoid waste and get complete satisfaction in the purchase of all kinds of building material. When they tell us their plans we tell them how to buy economically and what to use. When their plans are indefinite, we frequently make suggestions that suit the need.

Our Customers Are Friends

because we are friends to them first, last and all the time. With a high quality for a fair price guaranteed, profits take care of themselves. Come in and get acquainted.

Brevard Lumber Co.

Near to Depot. Telephone No. 120



A SYSTEM of such ditches will make your farm produce more abundantly. You can reclaim the waste acres and make every foot pay. You can do it at a saving, for here is a machine that will pay for itself several times over the first season and keep on doing it year after year.

The Martin
Patented
Farm Ditcher and Road Grader

It is great for terracing hillsides, cutting ditches, cleaning out old ditches, leveling bumps, filling gullies and grading roads.

It's made of steel and will last a life time. It's adjustable for narrow or wide cuts; is reversible; throws dirt to either side. Try it 10 days—your money back if you want it, but you won't.
