FOR GEORGE T. SWIFT DISTRICT: GEORGE A. SHUFORD, of Buncombe.

THE PROGRESSIVE FARMER NO LONGER THE OFFICIAL ORGAN.

The following interesting letter from President Polk to the chairman of the executive committee of the State Alliance of North Carolina, has just been received as the Economist goes to press. It needs no explanation:

May 31, 1892.

Hon. S. B. Alexander, President Executive Board North Carolina State Alliance.

Dear Sir and Brother:—Having learned that your executive board at its recent session in Raleigh, N. C., expressed its dissatisfaction with the attitude of the Progressive Farmer in its last proceeding issue toward the People's party, I hereby tender the resignation of that paper as the official organ of the State Alliance of North Carolina. While it will remain as true and loyal to the Alliance organization and its principles as it has ever been, it cannot and will not be circumscribed in its advocacy of the methods which only can bring relief to our suffering people, and which have been so overwhelmingly endorsed by them. In thus versing its official connections with the State Alliance it in no measure abates its allegiance to the principles of our order, and will ever stand ready and willing to extend its full and hearty co-operation to all the officers and the brotherhood for promoting and maintaining the principles which we have espoused. Fraternalty yours, L. L. POLK, Editor Progressive Farmer, National Economist.

On Monday the Magistrates, School Board of Education and Commissioners met in the court house at Lillington for the purpose of electing a County Superintendent of Public Instruction and a Board of County Commissioners, also to adopt the basis for giving in or listing taxes. The present Commissioners, Messrs. J. M. Hodges, Ed. Smith, N. A. Smith, W. F. Marsh, and F. J. Swan were re-elected, and we think a good selection. Prof. J. A. Campbell was then re-elected to succeed himself as County Superintendent. The present Board have been efficient and careful as to the affairs of the county. They have wisely and judiciously applied the county funds, therefore we congratulate the Magistrates for their wise selection and placing these gentlemen at the head of our county again. As to the Superintendent, no man in the whole county could fill the position with more honor to the people and himself. He is in every way qualified, being actively engaged in the school work. He has raised the standard of our free schools, and the teachers are now nearly all first grade so that flannels educational faculties are equal to almost any county.

THE TEACHERS' ASSEMBLY.

USEFUL INFORMATION FOR TEACHERS AND THE PUBLIC.

In reply to a great many letters of inquiry received every day by the officers of the Teachers' Assembly concerning the arrangements which have been made with the railroads in regard to the assembly certificates this season. Hugh Morson, president, and E. G. Harrell, Secretary, gave the desired information to the public as follows:

The railroad rates are the same as heretofore; only about one and a quarter cents a mile. Tickets are on sale from June 18th to July 3rd, good to return until July 15th. The annual fees for membership are \$2 for males and \$1 for females. These amounts are not to be sent to the secretary, as heretofore, but at his special request the railroads have added a membership to the railroad ticket, and all who attend the assembly pay the fee to the railroad agent with the price for the ticket. When you reach Morehead City the secretary will take up the coupon and issue an official 'certificate of membership', without charge. This certificate alone will secure for the holder the rate of \$1 per day for board at the Atlantic Hotel and free admission to all the exercises of the assembly, special lectures and entertainments. To all female members of the assembly who have paid \$2 to the railroad for certificate coupon the secretary will return \$1.00 when ticket is presented at Morehead City. This new plan of tickets is an excellent one and saves much trouble and delay—nothing to do now but buy the railroad ticket and go to the assembly. This is going to be the largest and best session of the Teachers' Assembly. The programme is a most excellent one, comprising some of the most attractive features in the way of instruction and entertainment that can possibly be provided in an educational gathering. The Atlantic Hotel and the assembly building are thoroughly repainted, while there are many pleasant improvements for enjoyment on the sound or in the surf. The teachers cordially invite every friend of education in North Carolina to meet with them in the assembly, to enjoy all the privileges and pleasures with the teachers and upon precisely the same terms. The programme has been prepared with a special view to interest, benefit and entertain both the teachers and the public. The assembly opens on June 21 and continues in session two weeks. The celebrated crayon artist and humorist, Frank Beard, has been engaged for June 22, 23, 24, and Rev. Thomas Dixon will lecture on July 2 and preach on Sunday, July 3. A number of other noted speakers are on the programme for other days during the session. The inter-collegiate oratorical contest and the instrumental music contest for gold medals will be very enjoyable and spirited occasions and are exciting widespread interest.—State Chronicle.

CATALOGUE OF THE UNIVERSITY.

The catalogue of the University for 1891-'92 is a very handsome and readable publication. During the year past there were 248 students, a gain of 50 over the year before. Of these 55 were students of law and 18 medicine and pharmacy. There were 27 students who were graduates of colleges and were pursuing advanced, or special, or professional courses; of these two were graduates of Davidson College, two of Wake Forest, 2 of Guilford, 1 of the University of New Brunswick, and twenty of the University of North Carolina. The most popular course of study seems to be the 'Course in Philosophy' which requires Latin but not Greek. There were 57 students of Greek. There were 9 students in Engineering. We are glad to observe that six Brief Courses of Study have been established for young men who are not able spend four years at the University. These brief courses give special preparation for business, for farming, for teaching, for journalism, for the study of law and for the study of medicine.

The Clinton Caucasian, of which Mr. Marion Butler, President of the North Carolina Farmers' Alliance, is editor, commends the work of the Democratic State Convention and will support the ticket. "The extremists both ways," it says, "would have preferred a different ticket and platform, but the medial line between the contending factions was very nearly struck." While, in its opinion "the platform covers nearly enough of the ground, but is not specific enough, the nomination of Elias Carr interprets and enlarges the platform.—Franklin Times,
