Clearly the time has long passed ... luxury will ever be the determining feature of a nation's downfall. Stability in Religious Belief

It has been remarked that Holmes and Lowell, both born upon opposite sides of the line between Orthodoxy and Unitarianism, ...passed that ... ...remained upon the side opposite to ... ...childhood's training. Holmes was the son of an orthodox clergyman, but the bent of his mind carried him into the Unitarian camp. Lowell, ...was a Unitarian clergyman, but his later life brought him into sympathy with a body of orthodox believers. The truth is we suppose, that most active and powerful minds have a natural bias which tends to carry them in one direction or another in their religious thinking. There are born Calvinists and born Arminians—men who have an innate dislike to creeds and men to whom ritual is the very breath of spiritual life. Holmes could never have rested satisfied in his father's church any more than Newman could have remained permanently in a Protestant communion.

If strong men follow the bent of their own thinging, and go to their own place, however there are other who change because they are too weak to resist the current in which they happen to be caught. They may ... ...bend, but they ... ...show no such strength ... ...tried away by ... ...the eternal ... ...fast to abiding principles. One of the characteristics of the present age is that insistence in religious thinking is a sign of strength. It is true that ... ...change has just in progress not to their security and strength. ... ...transition from the old position to the new is difficult and anxious one. He who has grasped the meaning of a reverent form of worship, and knows how much of the essence ... ...symbolizes and illustrates, ...for abandonment is for ... ...although it may bring ... ...from some difficulties, will ... ...by bring others in its train. TWO THOUSAND DOLLARS IN CASH PRIZES

To those who take advantage of this clubbing offer, the CONSTITUTION will distribute **Two Thousand Dollars in CASH PRIZES**

by the following plan: We have placed in a sealed envelope in the keeping of the Treasurer of the State of Georgia, and locked in the great vaults of the State, a legal tender note, which like all federal paper currency is numbered, each note of every denomination issued by the government having its own number. The number on this particular note is composed of eight figures and on the arrangement of these figures **as they appear on the note** depends the distribution of the two thousand dollars in prizes offered.

The following figures compose the number of the note } **5-3-4-0-1-0-7-8**

though of course they are not given here in the order in which they appear on the note.

To those who in sending with their subscriptions a rearrangement of these figures so as to give the number as it is on the note, we will distribute prizes as follows:

$1000 IN CASH to the person who gives the number of the note.
$500 IN CASH to the person who, not giving the exact number, comes nearest doing so.

Treasurer Hardeman's Receipt.

ATLANTA, GA., August 28th, 1894.

RECEIVED OF THE ATLANTA CONSTITUTION a sealed package, said to contain a legal tender note, which shall be kept safely by me in my keeping until the first of May, 1895, when it will be opened in my presence and a certificate given of the number of the note.

Rylan Hardeman
Treasurer State of Ga.

Each of these prizes will be delivered in cash, subject to the following conditions: (1st) Each guess must accompany a clubbing subscription to the paper publishing this announcement and The Constitution at the above announced clubbing rate, which must be in cash. (2d) All clubbing subscriptions must be sent through the paper making this publication and not to The Constitution. (3d) This offer is to be closed on the first of May, 1895, and guesses received in subscriptions after that time will not be counted in the distribution of these prizes. (4th) Should there be any ties in the guesses, the prizes will be divided. (5th) Every new or renewal subscription to either of the two papers will be entitled to a guess with every subscription.

THE CONSTITUTION heartily advocates an

Expansion of the Currency

Until there is enough of it in circulation to do the legitimate business of the country.

If you wish to help in shaping the legislation to these ends, **GIVE THE CONSTITUTION YOUR ASSISTANCE,** lend it a helping hand in the fight, and remember that by so doing you will help yourself, help your neighbors, and help your country!

AS A NEWSPAPER:
THE WEEKLY CONSTITUTION has no equal in America! Its news reports cover the world, and its correspondents and agents are to be found in almost every hallwick in the Southern and Western States.

AS A MAGAZINE:
It prints more such matter as is ordinarily found in the great magazines of the country than can be gotten even from the best of them.

AS AN EDUCATOR:
It is a school house within itself, and a year's reading of THE CONSTITUTION is a liberal education to anyone.

AS A FRIEND AND COMPANION:
It brings cheer and comfort to the fireside every week, is eagerly sought by the children, contains valuable information for the mother, and is an encyclopedia of instruction for every member of the household.

WILL YOU HELP?

In the great contest which is to be fought between now and the next Presidential election for

THE PEOPLE'S MOHEY—the coinage of both gold and silver, without discrimination, which means the free coinage of both as opposed to the policy of contraction, which is being dictated by England, and which levies tribute on every product of the farm, on valuations of all kinds and on all compensation for labor.

The Great Issue now is the double standard against the single standard—the use of both gold and silver as standard money metals against the organized effort to hold the currency of the country strictly to the gold basis.

THE ATLANTA CIRCULATION 156,000 WEEKLY CONSTITUTION

published at ATLANTA, GA., and having

A CIRCULATION OF MORE THAN 156,000, chiefly among the farmers of the country, and going to more homes than any weekly newspaper published on the face of the earth, is

The Leading Champion of the People in this as well as in other great contests in which they are engaged against the exactions of monopoly.

By special arrangement with the Constitution the paper publishing this announcement is prepared to make **A REMARKABLE CLUBBING OFFER,** by which both this paper and The Constitution will be offered for one year at almost the price of a year's subscription to one paper.

BOTH PAPERS FOR $1.50

THE CONSTITUTION IS THE BIGGEST AND THE BEST WEEKLY NEWSPAPER published in America, covering the news of the world, having correspondents in every city in America, and in the capitals of Europe, and reporting in full the details of debates in congress on all questions of public interest. It is

THE GREAT SOUTHERN WEEKLY NEWSPAPER, and as the exponent of southern opinion and the purveyor of southern news it has no equal on the continent.

THE CONSTITUTION'S SPECIAL FEATURES

are such as are not to be found in any other paper in America.

The Farm and Farmer's Department, The Women's Department, The Children's Department,

are all under able direction and are specially attractive to those to whom these departments are addressed.

Under the editorial management of *Clark Howell*, its special contributors are writers of such world-wide reputation as *Mark Twain, Bret Harte, Frank R. Stockton, Joel Chandler Harris*, and hundreds of others, while it offers weekly service from such writers as *Bill Arp, Sarge Plunkett, Wallace P. Reed, Frank L. Stanton*, and others, who give its literary features a peculiar Southern flavor that commends it to every fireside from Virginia to Texas, from Missouri to California.

DO NOT DELAY, but send your name now. If you are already a subscriber to your home paper, and you want The Constitution only, communicate with the Constitution direct, and send **one dollar** for one year's subscription with your guess in the prize contest. You can get your home paper, however, publishing this, and The Constitution for almost the price of one, and remember that all clubbing subscriptions must be sent to this paper and not to The Constitution.

THE CONSTITUTION

is among the few great newspapers publishing daily editions on the side **of the people as against European Domination of our money system, and it heartily advocates:**

1st. The Free Coinage of Silver,
Believing that the establishment of a single gold standard will wreck the prosperity of the great masses of the people, though it may profit the few who have already grown rich by federal protection and federal subsidy.

2d. Tariff Reform,
Believing that by throwing our ports open to the markets of the world and levying only enough import duties to pay the actual expenses of the government, the people will be better served than by making them pay double prices for protection's sake.

3d. An Income Tax,
Believing that those who have much property should bear the burdens of government in the same proportion to those who have little.
