STATE NEWS.

Happenings in North Carolina.

Colonel Alfred M. Waddell is again a candidate for the Mayoralty of Wilmington.

Work is progressing rapidly on the new auditorium College at Charlotte. Its auditorium will seat 1800.

A charter has been granted by the State to the German-American State Land Company, headquarters at Raleigh. Its object is to bring German and Austrian farmers to North Carolina.

An exciting murder trial is in progress at Wadesboro, Pearl Cagle and B. B. Bittle being charged with murdering John N. Murray, a merchant. Cagle is 17 years old and is a brother of a noted desperado.

The following will be the aides decamp on Governor Aycock's staff: Joseph E. Robinson, of Goldsboro; John S. Cunningham, of Person county; Joseph B. Pollock, of Kinston; and Harper Erwin, of Durham.

Major James W. Wilson, of Roanoke Rapids, states that there are now at that point three cotton mills in operation, also a silk mill, and that the Paterson Company which owns the latter is building two cotton mills.

An awful accident happened at the venter works at Thompsville Thursday. Five workmen, all colored, fell into the steaming tank. Yance Wells, who was scalded the worst, died soon after. The others may recover.

Goldsboro has three colored citizens who have lived in three centuries and bask in the sunshine yet of the present one. They are Nellie Smith, aged 113 years, Bob Lane, aged 109 years, George Petujohn, aged 103 years.

Alamance Gleaner: George Goodman, a substantial farmer of Rowan County, is a convert to Mormonism. He has disposed of his property and will shortly leave with his family for Utah.

Greenville Reflector: The case against W. B. Bland for the killing of his brother, C. A. Bland, on the charge of manslaughter, started Saturday and ended Tuesday, the jury returning a verdict of not guilty.

A man named Callihan, who lives at Lennon's Cross Roads, Columbus county, was shot in the back Sunday morning by his wife while he was kindling a fire. Mrs. Callihan claims that the shooting was accidental. Her husband is seriously wounded.

General Toon, the new State Superintendent of Public Instruction, will recommend to the Legislature that it leave the matter of the adoption of textbooks for use in the public schools entirely to the State Board of Education. This means "State adoption." There is now county adoption.

Mount Airy News: Pilot Mountain has organized a company for the manufacture of furniture, the amount of stock for the successful operation of the enterprise having very nearly all been taken. The factory is to be in operation as soon as possible.

Winston Sentinel: The large steam distillery of I. C. Shore & Co., at Shore, Yadkin county, was seized last Saturday by Deputy Collector S. F. Shore, for irregularities. It appears that the officer found the owners hauling off unstamped whiskey. It is known that it will cost Shore & Co., considerable money to get out of the trouble. Hauling off unstamped whiskey is a criminal offense.

It is learned that the various railways interested in the tax assessment cases, involving \$10,000,000 increase in valuation, have made a definite proposition to end the litigation. The proposition is a result of a conference at Washington last week held at the suggestion of the Atlantic Coast Line. The proposition was sent by them to Henry G. Connor, chief counsel for the Corporation Commission, which has so earnestly pressed the case. It is learned that the commission will not accept any valuation under \$42,000,000, which it fixed two years ago.

The Composition of the Legislature.

The Legislature will not contain a solitary negro member. There is not a Republican member from an eastern or middle county. The entire Republican strength of 25 in both branches comes from counties in the eighth and ninth districts. The senatorial districts represented by Republicans are the twenty-seventh, twenty-eighth, twenty-ninth, thirtieth, thirty-first, thirty-fourth and thirty-fifth. The Republican strength in the House, 17 comes from Alexander, Ashe, Caldwell, Cherokee, Clay, Davie, Henderson, Madison, Mitchell, Polk, Stokes, Surry, Swain, Watauga, Wilkes, Yadkin and Yancey. There are three eastern Populists and two western ones. From the eastern and southern, or cotton-raising counties, there is a solid Democratic delegation barring the two Populists from Sampson, and one from Bladen. There are in the Senate 27 eastern and 13 western Democrats, and in the House 65 eastern and 36 western Democrats. All the Republicans are from the tier of counties producing grain, grass, tobacco, fruit and whiskey. The composition of the Senate is Democrats 40, Republicans 7, Populists 3; of the House, Democrats 101, Republicans 17, Populists 2. Of the 50 Senators 14 are lawyers. Of the 120 members of the House 32 are lawyers, the exact number in the last Legislature.

A Deep Mystery. It is a mystery why women endure Backache, Headache, Nervousness, Sleeplessness, Melancholy, Fainting and Dizzy Spells when thousands have proved that Electric Bitters will quickly cure such troubles. "I suffered for years with kidney trouble," writes Mrs. Phebe Cherley, of Peterson, Ia., "and a lame back, pained me so I could not dress myself, but Electric Bitters wholly cured me, and, although 73 years old, I am now able to do all my household work." It overcomes Constipation, improves Appetite, gives perfect health. Only 50c at Wilson's drug store.

Who Wouldn't Be a Woman. Men can't have beautifully rounded white arms and pretty wrists. Men can't have roguish dimples to play hide and seek in their cheeks. Men can't have long, silky hair that fluffs and curls in all manner of pretty ways. Men can't have dainty little feet, nor wear pretty shoes to show them off. Men can't have delicate, white hands, with lots of pretty rings to make them prettier. Men can't have handsome, big open capes all foamy with chiffons and frills to make them look a bewitching picture. Men can't have veils to make their complexion a fac-simile of a rose leaf. Men can't have admiring friends bring them boxes of chocolates and books and flowers and all sorts of love things. Men can't have the nerve or the audacity to bring their fellows into a state of abject slavery by pouts and blushes and little soft caresses that make a man wax in the hands of a woman. Who wouldn't be a woman, even he can't vote?

Greensboro Telegram: The Mt. Vernon Roller Mill, situated one mile from Highpoint, was totally destroyed by fire Wednesday night, together with a large quantity of flour and grain. The Mill was the property of Mr. Duncan Davis, and was valued at \$5,000, which was insured for \$2,500. It is thought that the fire originated from a spark from the engine room. The mill had a capacity of fifty barrels per day.

Old Soldier's Experience. M. M. Austin, a civil war veteran, of Winchester, Ind., writes: "My wife was sick a long time in spite of good doctor's treatment, but was wholly cured by Dr. King's New Life Pills, which worked wonders for her health." They always do. Try them. Only 25c at Wilson's drug store.

CASTORIA. The Kind You Have Always Bought. Bears the Signature of Dr. H. H. St. John.
