—The message to the standing collar these days is "will you?"
—The business men are now rejoicing that there is no more putting stamps on checks.
—Several of our citizens took in the trip to Charleston. They report a fine time.
—The town hall is an excellent place to sleep these hot nights,—well ventilated.

—Good many of the old Confederate soldiers of Harnett were at Lillington Monday giving their names for pensions.
—Deputy Sheriff Anderson took a colored woman, lunatic, from here to Goldsboro last Monday night.
—Ye editor is busy on his farm this week and the "devil" has dominion over the office during his absence.

—Rev. R. W. Hines, pastor of the Presbyterian church here, preached two excellent sermons Sunday and Sunday night.
—We hear that John McKeithan, col. of Mingo township, had the first cotton blossom in this section last Sunday.
—Note the change in the "ad" of T. C. Young & Co. They are offering their customers some bargains. See what they say.

—Mr. N. W. W. Smith, one of Harnett's best farmers, brought us a cotton blossom Tuesday. It is the first we have seen this season. He says notwithstanding the bad weather he will make an average crop this year.
—Mr. J. F. Motley, proprietor of the Star Warehouse, has an "ad" in this issue. He is an up-to-date warehouseman and is always looking out for the best interest of his customers. He has with him for this season Mr. A. V. Smith as bookkeeper and Mr. E. F. Strickland as solicitor. Farmers, it will pay you to read his "ad" and see what he says.

—A special meeting of Lucknow Lodge, I. O. O. F., will be held at their Hall next Friday night. Every member is earnestly requested to be present as business of importance is to be transacted.

—To avoid the rush and to make it regular for us, to those who wish to send us ice cream, please give in your names on the evening before. We will appreciate the treats but want them regularly. Don't rush but give us cream or give us, well, cream will do. Phone 18.

Dunn vs Selma.
Last Friday nine of Selma's young men, which composed the second nine, crossed bats with the second nine at this place. The game was an interesting one, with some good snappy ball playing. At the fifth inning it looked as if the Selma boys had the game, but in the eighth inning our boys rallied and came to the front. The score was 12 to 13 in favor of Dunn.
During the game not a decision was kicked on, and no hard feelings were caused. The Selma boys went home as jubilant as could be, taking their defeat manfully. Come again boys we are always glad to have you.

IT SAVED HIS LIFE.
Hon. J. A. Oates, Mayor of Dunn, N. C., says, "I am sure Dr. Worthington's Remedy saved my life. It was prescribed for me in a severe case of cramp colic by Dr. Armstrong of the Confederate Army in 1863, and it gave me instantaneous relief. Since that day I have used it continuously and think it the greatest remedy on earth and should be kept in every home." Price 25c at Hood & Grantham.

Wild Cats and Tigers.
The game of ball between the Wild Cats and Tigers, or 18 of Dunn's citizens who do not know the game and some who seldom take any interest in it, was one of the most amusing ever witnessed in our city. The main feature of the game was that they did not know when to run or what to do when on base. For two hours they kept the spectators laughing; all left the grounds having thoroughly enjoyed the game and both sides feeling like they had fought a great battle.
The score was 11 to 26 in favor of the Tigers.

FOR SALE.
I offer my elegant eight room house for sale on Divine street. I am giving a bargain.
J. W. GREGORY,
Dunn, N. C.

Lynching in Johnston.
We learn that a lynching occurred about four miles from Smithfield yesterday evening about night. A negro man committed rape on a young white girl, a Miss Strickland, who is about 13 years of age. The negro was arrested and they started to the Smithfield jail when several men came together and swung the negro to a limb. We have been unable to get the full particulars, but from what we have learned the mob was fully justified in taking the law in their own hands.

Sad Fate of a Pleasure Party.
New Bern, N. C., June 28.—Hon. Wm. E. Clarke, his two daughters, Mary, aged 12 and Frances, aged 9, and George B. Bryan, the ten-year-old son of Green Bryan, were drowned here tonight. The party was out rowing opposite the water-works when the boat was swamped by the waves.
Mr. Clarke's little son, Wm. E. Jr., was the only one of the party saved. He clung to the boat until rescued. The bodies of the two young girls have been recovered.
