STARVING CHINA.

A Message for You.

A heartrending, agonizing cry for bread rises from the parched lips of China's millions of starving men, women and children.
Owing to the scanty rainfall for several years and no rain at all this year, no crop was harvested in the provinces of Shansi and Shensi, and now a section of one hundred thousand square miles in extent, with a population one-third as large as that of the United States, is sorely afflicted and millions are starving, many of them actually already at death's door.
Earl Li Hung Chang has appealed for relief to the good people of America, in the hope that as true followers of the lowly Nazarene we will return good for evil, and literally obey the command: "If thine enemy hunger, feed him; if he thirst give him drink: for in so doing thou shalt heap coals of fire on his head."
Hon. Edwin H. Conger, United States Minister to China, just before starting for home, learned from high authority that the people in the famine region had eaten every blade of grass, every bit of bark—in fact everything that could be eaten, and that now they are literally eating each other. And now comes the

news that many cities, towns and villages are already either deserted or the houses occupied by the dead.

Such is the story of the greatest catastrophe of the opening century now being enacted in far-off China, and it is in behalf of these millions that this urgent appeal is issued, and with it goes an earnest, heartfelt prayer that God may generously move the hearts of our people to liberally and promptly respond to the appeal of these helpless victims.

Out of our abundance let us contribute in generous measure to the needs of those who sad and mournful cry is: "Give us bread! Give us bread, or we perish!"

Let every minister of the Gospel, every Sunday School Superintendent, every Young People's Society (whether Christian Endeavor, Epworth League, Young People's Union, or Y. M. C. A.) every generous man and every tender-hearted and sympathetic woman throughout the length and breadth of this land be true to Him whose life on earth was a ministry of helpfulness to the downtrodden, the unfortunate and the desolate; true to themselves and true to humanity, and forgiving the past lend a hand in this great work of throwing out the life-line to the millions of aged men, defenseless women and innocent children of China, thus effectually answering their pitiful prayer of absolute helplessness.

A Canning Factory.

CAPACITY 1000 CANS PER DAY.

I buy peaches and tomatoes. I sell tin cans and pack fruits to order. I use water, steam and syrup of sugar and pack fruits free from adulteration. Bring your peaches to me and I will save you money, labor, time and cost of glass jars. Fruits properly packed in tin cans retain their original flavor. This is lost in glass jars.

Deliver your peaches to me well assorted. "Preses" in boxes to themselves holding one bushel each. "Clearstones" in boxes holding one bushel each.

Gather your peaches when just ripe. Let them be uniform in size and ripeness. Such peaches will bring good prices if they have any size.

I shall employ none but neat packers and guarantee satisfaction in prices, cleanliness and quality. You lose no fruits in tin cans. I teach you how to use the same tin can for any number of years. The tin can will not freeze or break and can be filled any number of times during the same season.

All ladies who are interested in canned fruits and catchup are invited to visit the factory. Factory located near Main Street, East Dunn.

G. I. SMITH, Proprietor.

The Same Old Story

J. A. Kelly relates an experience similar to that which has happened in almost every neighborhood in the United States and has been told and re-told by thousands of others. He says: "Last summer I had an attack of dysentery and purchased a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which I used according to directions and with entirely satisfactory results. The trouble was controlled much quicker than former attacks when I used other remedies." Mr. Kelly is a well known citizen of Henderson, N. C. For sale by Hood & Grantham.

Fayetteville vs. Dunn.

The following account of the game of ball played at Fayetteville last Wednesday is taken from the Fayetteville Observer: "The game yesterday afternoon between Fayetteville and Dunn was a very pretty one, notwithstanding the difference in the score.

There was a big and fashionable crowd present, and they were kept wildly enthusiastic up to the very close of the ninth inning. Dunn had a considerable number of rooters present, with several rooters present, and they kept up their courage until the last, though the Fayetteville rooters and their fair allies almost overwhelmed this little band with sounds peculiar only to Fayetteville rooters and rooters.

The Dunn team behaved themselves like the gentlemen they are, and made a splendid impression on our people.

Below we give the game in detail:

First inning—Douglas for Fayetteville strikes, Cagle out at first, Sweeney hit and takes first, McNeill out at first, Sweeney left on second.

Jordan, L. for Dunn, out at first, Randall strikes, Fitz. left on second, Jordan on first. Score, 0-0.

Fourth inning—McNeill strikes, Williamson strikes; McDuffie out first.

Privett, for Dunn, singles; Shell fouls to Cagle; Holder, W. out first; Young strikes; Privett left on first. Score, 1-1.
