Mayor Young has had several cases before him since he became Mayor. He has started out well and it will only be like him to continue in the same way. Our advice is obey the law, stay sober and don't get before him, for he is going to do the proper thing, give you the limit of the law.

Services were held at the Baptist church Sunday morning and night by the pastor, Rev. W. C. Barrett. He preached two highly interesting sermons. The protracted service will begin next Monday night. Rev. Mr. Porter of Fayetteville will assist in the services.

The road at Mingo has been repaired and by the last of the week will be in good condition. For some time it has been almost impossible for wagons and carts to pass over the dam, but we are informed that our merchants and business men have taken the matter in hand and will put the road in first-class condition.

On the 4th page of this issue you will find the county financial statement. On account of circumstances unavoidable the publication has been delayed. The statement will be seen by reading it. Harnett has a set of capable, economical officers.

Mr. Chas. Skinner, who has a peanut farm near town, showed us some of the peanuts grown on his farm Saturday. They are fine and much earlier than anywhere else. Mr. Skinner says they are at least three weeks earlier than those grown on the farms in Halifax county. Mr. Skinner is an experienced peanut farmer, and is making a great success of the business this season.

Thursday, August 1st the tobacco market will open in Dunn. Let everybody who can be on hand this day with a load of tobacco. You will get good prices for all grades. Mr. G. S. Phillips received a telegram yesterday morning from Parkesburg, stating that Mr. Marvin Elwell died at his home in that place Monday night. Mr. Elwell came to Dunn about four months ago and conducted a grocery store next door to Mr. W. H. Blanchard, but afterwards sold out and engaged as salesman with Mr. G. S. Phillips. He was a clear young man and made many friends while here who will regret to learn of his death. He was about 20 years of age.

The report of the game of ball between Dunn and Fayetteville last Wednesday appears on the first page. The score stood 8 to 1 in favor of Fayetteville. Our town played the game under many disadvantages, taking with them several 2nd nine men. The Fayetteville boys know better than anybody else that the boys did not play their game at all. Dunn defeated the same team two months ago in a score of 20 to 0. Let the boys come up to Dunn and we promise it will be more interesting.

Seven Years in Bed.

"Will wonders ever cease?" inquire the friends of Mrs. L. Pease, of Lawrence, Kansas. They knew she had been unable to leave her bed in seven years on account of kidney and liver trouble, nervous prostration and general debility; but "Three bottles of Electric Bitters enabled me to walk," she writes, and in three months I felt like a new person." Women suffering from headache, backache, nervousness, sleeplessness, melancholy, fainting and dizzy spells will find it a priceless blessing. Try it. Satisfaction is guaranteed by C. L. Wilson. Grant and Garfield go to Jail.

MISSOURI WOOD ACCOMPANIES THEM.

The Offence a Capital One.

For several weeks there has been an epidemic of breaking in and stealing in our town, and as such crimes will out, the matter was brought to light last Saturday. Three of the birds were arrested, Grant McNeill and Garfield Cagle, the latter being captured Friday night in Wilson. The colored girl, Missouri Wood, who has been cooking at Mrs. T. L. H. Young's for some time, a witness in the case against Garfield for entering the house of Mrs. Young on the night of July 10th, was also found upon evidence to be connected with the breaking in, and sent to jail.

The trial against Garfield was heard and he was bound over to court, and placed in the lock-up. Grant McNeill was also a witness in the case, and was arrested Wednesday previous to the trial, for selling stolen meat, so he and the woman were placed in the guard house. A few hours after they were all placed in the lock-up, Grant McNeill confessed the whole thing. His evidence was that the woman cut the shutters and got Garfield to go into the house and look for a gold watch and ring.

He went in and failed to find the articles and made his escape through the back door without disturbing the family. The woman then sent Grant in for the valuables. He went in at the window and made a search and while in disturbed Mrs. Young and her daughter, who called out and caused him to make his escape through the back door. No further evidence was given, and all three were sent to Fayetteville jail. This is a capital offence and if the same evidence is produced at the next term of Court Harnett will have another bumping.

The Best Report.

Mr. H. C. McNeill, tax lister for Averasboro township, is in receipt of a letter from the Register of Deeds, bearing date of July 15th, which states that his returns are found to be the best and most complete in every respect of any received in the county. This speaks well for our neighbor and friend, Mr. McNeill. He is not only an accurate and careful man along the line of tax listing, but one of the best magistrates in this township, keeping himself well posted in the law. We congratulate him in the words of praise.

Ball Game, Tomorrow.

Tomorrow evening (Thursday) and Friday morning the Durham ball team will play our diamond against the home team. The game tomorrow will be called at 4:30. At night an ice cream supper will be given to help make funds to pay expenses. Let everybody show appreciation of the games by giving a liberal support.

The Editor And His Farm.

In order to demonstrate to all the world the art of farming, the editor of THE BANNER started out last Spring with a 10-acre "patch." The beginning was good, and prospects were better before planting time than now. The storms came, the rains descended and the grass ascended until now one can behold the field and realize what might have been. We had cotton blooms July 15th, they would have been visible earlier but the grass shaded the stalk and the warm rays of the sun could not penetrate the squares. From all indications Editor Pittman will be called upon to pay the bills of Farmer Pittman.
