

FOR MALARIA, CHILLS AND FEVER.

The Best Prescription Is Grove's Tasteless Chill Tonic.

The Formula Is Plainly Printed on Every Bottle, So That the People May Know Just What They Are Taking.

Imitators do not advertise their formula knowing that you would not buy their medicine if you knew what it contained. Grove's contains Iron and Quinine put up in correct proportions and is in a Tasteless form. The Iron acts as a tonic while the Quinine drives the malaria out of the system. Any reliable druggist will tell you that Grove's is the Original and that all other so-called "Tasteless" chill tonics are imitations. An analysis of other chill tonics shows that Grove's is superior to all others in every respect. You are not experimenting when you take Grove's—its superiority and excellence having long been established. Grove's is the only Chill Cure sold throughout the entire malarial sections of the United States. No Cure, No Pay. Price, 50c.

To the Farmers of Johnston and Surrounding Counties.

WE WILL ON AUGUST 2ND, 1901, OPEN THE BANNER WAREHOUSE FOR THE SALE OF LEAF TOBACCO, AT BENSON, N. C. A NEW MARKET, NEW HOUSE, BUT

Old Experienced Men in the Business.

In fact, OUR MR. LEA is an old Veteran in the Warehouse business. Having had 25 years' experience in selling the weed, he has become one of the best judges of Tobacco, and will see that every pile sold on our floor brings its full market value. Our Messrs. MORGAN and HARRIS are Up-to-Date Warehousemen, knowing their business thoroughly in the office and on the floor. Both good judges of Tobacco. So,

Farmers, Come to see Us!
We are in the business to look after Your Interest.

We expect to make every pile of Tobacco bring full market price. We are not going to have spurt sales; or, in other words, give you a big price one day and take it from you the next.

Our Motto is honest, fair dealings, and the highest price to all Every Day.

We ask you for a Liberal Share of Your Trade. You will always find us at our post ready to serve you to the best advantage. We have plenty of Money, Orders and Buyers to make Benson the Coming Market of Johnston County, and we expect to do our part.

WE GUARANTEE THAT TOBACCO WILL BE AS HIGH ON OUR MARKET AS IT WILL ON ANY MARKET IN OR OUT OF THE STATE.

We further advise the Farmers to take the strings all out of their Tobacco and grade as much of it as possible. It will pay them to do it. What builds a market is Order Men, and they do not want Strings; they want Tobacco.

COME TO OUR OPENING SALE, AUGUST 2ND,

With a load, and you will not find us strangers to any of you. We will appreciate your starting with us, and do our best to please you. Thanking you in advance for a share of your trade, we are, the Farmers' Friends,

Heartburn.
When the quantity of food taken is too large or the quality too rich, heartburn is likely to follow, and especially so if the digestion has been weakened by constipation. Eat slowly and not too freely of easily digested food. Masticate the food thoroughly. Let six hours elapse between meals and when you feel a fulness and weight in the region of the stomach after eating, indicating that you have eaten too much, take one of Chamberlain's Stomach and Liver Tablets and the heartburn may be avoided. For sale by Hood & Grantham.

PLANTERS - WAREHOUSE.

A. V. SMITH, Proprietor.
R. B. MORGAN, Assistant.
DUNN, --- N. C.

Opening Sale, Thursday August 1st.

The Planters Warehouse will be under new management this season. Mr. R. B. Morgan who has managed it for the past two seasons, has turned it over to Mr. A. V. Smith, the well known buyer and tobaccoist, who has been located here since Dunn became a tobacco market, and was last season with the Star Warehouse. He has leased the house for three years. Mr. Morgan is well known as a warehouseman, and Mr. Smith is known to be one of the best judges of tobacco and a buyer who always paid the top of the market for the grades of tobacco he bought. We assure all who will place their tobacco on the floor of the Planters Warehouse the best prices obtainable.

The proprietor will endeavor to please every patron, and if good prices will please, then you will bring your tobacco to the Planters Warehouse, for nothing shall deter us from giving the highest market price for all tobacco placed on our floor. If the buyers on this market don't bid what the tobacco is worth, WE WILL. We intend to see that every farmer who places tobacco on our floor shall have

BEST PRICE POSSIBLE.
We know whereof we speak. We have orders for the tobacco and we can place any and all grades and CAN and WILL pay as high for it as any Warehouse in North Carolina as we intend to buy a large stock. We like competition—for that builds up a market but we WILL NOT allow any other Warehouse in Eastern North Carolina to pay more for same grades of tobacco than we do.

OUR MOTTO
Is to treat every farmer the same and pay each the same price for the same grade of tobacco. We shall have no favorites. We shall open on August 1st and will have a complete corps of clerks and help and will appreciate every load brought us on that day. We will be open every week day after August 1st until the season closes and if you have none ready for the first day bring it any day thereafter. We are open for Business and Business we intend to do. We will try and have a representative see nearly all our old customers and friends between now and our opening day. If we fail to see you bring us a load anyway on our opening sale for we intend to make that a

RED LETTER SALE DAY
In the Dunn tobacco market at which prices never heard of will be had. Bring us your tobacco for we are out for business and tobacco we must have, and tobacco we will have if money will buy it.

Our warehouse, as is well known, is one of the best lighted and most convenient houses in eastern North Carolina and with plenty of capital, plenty of time to serve you and good accommodation for man and beast. We hope to do some business with every farmer who grows tobacco in Harnett, Johnston, Sampson and Cumberland counties. We hope to do a more extensive business this season than ever and if you try us with one load we are confident that you will sell us more—for the interest of our customers are our interest and the interest of our customers we shall endeavor to protect. Remember the date—Thursday August 1st 1901, Opening Sale. With thanks for past patronage, I remain,
Yours to serve,
A. V. Smith, Proprietor.

Summer complaint is usually prevalent among children this season. A well developed case in the writer's family was cured last week by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy—one of the best patent medicines manufactured and which is always kept on hand at the home of every family. This is not intended as a free puff for the company, who do not advertise with us, but to benefit little sufferers who may not be in easy access of a physician. No family should be without a bottle of this medicine in the house, especially in summer-time.—Lansing, Iowa, Journal. For sale by Hood & Grantham.
