There is nothing like Asthmalene. It brings instant relief, even in the worst cases. It cures when all else fails.

The Rev. C. F. Wells, of Villa Ridge, Ill., says: "Your trial bottle of Asthmalene received in good condition. I cannot tell you how thankful I feel for the good derived from it. I was a slave, chained with putrid sore throat and Asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, Asthma, and thought you had overspoken yourselves but resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full size bottle."

Rev. Dr. Morris Wechsler, Rabbi of the Cong. Bnai Israel.

NEW YORK, Jan. 3, 1901.

DRS. TAFT BROS. MEDICINE CO. Gentlemen: Your Asthmalene is an excellent remedy for Asthma and Hay Fever, and its composition alleviates all troubles which combine with Asthma. Its success is astonishing and wonderful.

After having it carefully analyzed, we can state that Asthmalene contains no opium, morphine, chloroform or ether. Very truly yours, REV. DR. MORRIS WECHSLER.

AVON SPRINGS, N. Y., Feb. 1, 1901.

DR. TAFT BROS. MEDICINE CO. Gentlemen: I write this testimonial from a sense of duty, having tested the wonderful effect of your Asthmalene, for the cure of Asthma. My wife has been afflicted with spasmodic asthma for the past 12 years. Having exhausted my own skill as well as many others, I chanced to see your sign upon your windows on 130th street, New York, I at once obtained a bottle of Asthmalene. My wife commenced taking it about the first of November. I very soon noticed a radical improvement. After using one bottle her Asthma has disappeared and she is entirely free from all symptoms. I feel that I can consistently recommend the medicine to all who are afflicted with this distressing disease. Yours respectfully, O. D. PHELPS, M. D.

DR. TAFT BROS. MEDICINE CO. Feb. 5, 1901.

Gentlemen: I was troubled with Asthma for 22 years. I have tried numerous remedies, but they have all failed. I ran across your advertisement and started with a trial bottle. I found relief at once. I have since purchased your full-size bottle, and I am ever grateful. I have a family of four children, and for six years was unable to work. I am now in the best of health and am doing business every day. This testimony you can make use of as you see fit. Home address, 235 Irvington street. S. RAFAEL, 67 East 129th st., City.

**HOUSEWORK**  
Too much housework wrecks women's nerves. And the constant care of children, day and night, is often too trying for even a strong woman. A haggard face tells the story of the overworked housewife and mother. Deranged nerves, leucorrhoea and filling of the womb result from overwork. Every housewife needs a remedy to regulate her menses and to keep her sensitive female organs in perfect condition.

**WINE OF CARDUI**  
is doing this for thousands of American women to-day. It cured Mrs. Jones and that is why she writes this frank letter:

Glendora, Ky., Feb. 10, 1901. I am so glad that your Wine of Cardui is helping me. I am feeling better than I have felt for years. I am doing my own work without any help, and I washed last week and was not one bit tired. That shows that the Wine is doing me good. I am getting healthier than I ever was before, and sleep good and eat hearty. Before I began taking Wine of Cardui, I used to have to lay down five or six times every day, but now I do not think of lying down through the day. Mrs. BERNARD JONES. \$1.00 AT DRUGGISTS. ## Come Back.

Yes, I'll go back and try E. LEE'S HARDWARE HOUSE. I have always been treated alright there, I see no use to change. I can buy my Hardware, Harness, Saddles, Bridles, Building Material, such as Lime, Hare, Sash, Doors, Locks, Hinges, Nails &c., just as cheap from him as anybody. Then I always get just what I buy, a good class of goods and full weight.

**HAND-MADE HARNESS.** I wish to impress upon your mind that the BEST is the CHEAPEST. If you buy a set of machine harness and give \$8.50 and it lasts you 5 years and you buy a set of Hand-made Harness for \$10.00 and it lasts you for 10 years have you made money? Any sane man will tell you yes. So buy the best.

All kinds of tumblers and goblets. Jelly glasses for 25 cents per dozen. Tumblers at 20 cents per set. 18 Gross Mason Fruit Jars. TIN AND ENAMELED WARE. I carry a nice varied line of this class of goods and always try to please everybody in price and goods.

**Guns, POWDER, SHOT AND SHELLS.** This season I have paid special attention to buying the above named goods and am in position to give the best goods for the least money.

**Cutlery.** My line of Cutlery is simply out of sight. There is no better knife or razor than Boken, always known by the tree on it. Dice Harrows, Grain Drills, McCormic Mower and Rakes, Binders &c. all for sale here. Remember, the place. E. Lee's Hardware Store.

Stop let me tell you. In the near future I expect to build a large brick store and in order to raise all the money I can and not have to move goods to my new store I will sell all my summer goods at cost. Besides many other things too numerous to mention.

I am going to sell Hardware and Harness this season regardless of profit, I HAVE GOT TO HAVE SO MUCH MONEY. I have bought the goods and they must go. The time has come when E. Lee leads in Hardware and Harness and others follow. If honesty, square dealing, small profits merit anything then I ask for your trade.

Respectfully,  
**E. LEE,**  
Dunn, N. C.

### The Price of Cotton Seed.

The leading cotton seed men of Louisiana and Mississippi met Thursday night to fix the price they would pay the farmers for cotton seed this season. The meeting was strictly private, but it is known that most of the leading members of the National Oil Company, which controls the price of cotton seed and cotton seed products, were present. The price agreed on was 13 cents free on board river with the usual rebate of one per cent per sack equal to a rate of 12 cents free on board rail. This is a much lower figure than the farmers received for their last.

This and the fact that the oil trust controls 90 per cent. of the cotton product have caused the alliance to urge an organization of the farmers. Secretary Parker in his letter says: "The situation is such that in our opinion, the farmers should take some action to protect themselves and have some voice in naming the price their own products will sell for. This can best be done by co-operation in selling, which can be accomplished. The cotton seed crop of North Carolina will probably be at a low estimate, 10,000,000 bushels. Of this crop 7,000,000 bushels will probably be sold. If by co-operation of the farmers the price can be advanced 10 cents on the bushel, it will give to the cotton farmers of the State \$700,000 more for the crop than they otherwise would get, but concert of action will be necessary to obtain the desired results. It is to be hoped that the farmers in all the cotton growing States will take similar action. To that end this letter will be sent to every Southern State, that success may be assured."

We deem this of enough importance to suggest that the farmers meet in their respective counties at the court house on Saturday, September 21st, and select delegates to attend a State meeting to be held in the city of Raleigh, Wednesday, September 25th. It is deemed advisable township meetings can be held earlier than September 21st; each township or neighborhood can determine this for themselves.

The short crop and the high prices consequent thereon have made this a golden opportunity for the cotton farmers, and it is for them to say whether they will take advantage of it or leave all the profits arising from these conditions to the cotton seed oil mills. You may rest assured that they will not turn them down. In justice to your interests you should step forward and offer to share these profits with the mill men.

This letter is addressed to every cotton farmer and ginner in the State, from the least to the largest. Let them all cooperate. Let no reasonable excuse keep you away from the meetings.—Tarboro Southern.

Doctors of Divinity C. O. D.

While there can be but one opinion respecting the character of the bogus diploma mill which is located in Chicago under the title of the "National University," what of clergymen who purchase its degree? Surely they cannot plead innocence in the possession of a parchment upon the face of which fraud is stamped by the very manner of its procurement.

One clergyman in New Jersey, who was curious to know where all the degrees of D. D. that were blossoming out among his brothers came from, got hold of a circular and opened a correspondence with Chancellor Harkin, of the "National University." In his innocence he founded that institution with the University of Chicago, but was promptly corrected by "Chancellor" Harkin, who replied, "we do not wish anyone to confound us with any Standard Oil concern."

Pursuing his investigations, the New Jersey clergyman found that it would cost him \$80 to obtain a D. D. Degree under "the old rule," and that the D. D. diploma would be sent C. O. D. Instead of investigating he promptly made public the correspondence. Consequently large numbers of beautiful specimens of the job printer's art, beginning "Senatus Universitatis Nationalis" and concluding "F. W. Harkin, praeses," hanging in New Jersey parsonages, were hurriedly turned to the wall.—Chicago Record-Herald.
