Hood & Grantham, Nunnally and Lowney's fine candies fresh to-day.

The Wade Hardware Company. —Cotton 8¢ to-day.

—Mr. J. F. Motley is wearing a broad smile—it is a girl.

—The snow is now melting fast and it is sloppy underfoot.

—We would be glad to get a correspondent at Lillington.

—There was no preaching in town Sunday on account of the snow.

—Good many of the factories have been shut down during the bad weather.

—We wish somebody at Buie's Creek would wake "Snooks" up.

—The snow has frozen out the news as well as good many other things.

—On the fourth page of this issue you will find a proposition that we are making. Read it.

—Hunting has been the order of the day since the snow came. Mr. Rabbit has had a hard time.

—Mr. J. W. Lane has an "ad" in this issue. When you need buggies or harness he has them.

—Messrs. Hood & Grantham have an "ad" in this issue. Read it. They are making some liberal offers.

—Court adjourned Saturday to meet again on the first Monday in April. Judge Allen will preside.

—Those who were at Lillington Saturday had some trouble in getting home on account of the snow.

—Work on all of the buildings in town has been stopped for several days on account of the bad weather.

—In last week's issue we reported three deaths, and the same number appears in this issue. Five of these were over sixty years old.

—When a man's trade is poor, he should advertise in THE BANNER and let the people know he has not gone out of business.

—The snow that fell Friday night seems to have been general, although it was heavier in some parts of the State than others.

—Mr. J. D. Barnes, one of our enterprising and thoughtful merchants, had a car load of wood brought up from Godwin Saturday for the poor in town.

—We are requested to ask the members of Lucknow Lodge to be present on next Tuesday night. Refreshments will be served and some good speeches made. Come out and enjoy the evening.

—Dr. Clarence Porter Jones, of Newport News, Va., eye, ear, nose and throat specialist, will be in Benson Feb. 24th and in Dunn Feb. 25th. He will be found at Dr. Goodwin's office while in Dunn.

—There is a movement on foot to rent the old printing office and establish a gymnasium and reading room. This is something we need in our town and we hope it will relieve the hearty co-operation of our people. From such, many noble institutions have come.

—There is nothing that we know of that our town needs worse than a fire company. With just a little cost to the town and a good organization it might be the means of saving a great deal of property and probably lives. Let's take some steps in this matter at once.

—The managers of the Opera House are to be commended upon the fact that they cancelled the engagement with the last company that was to show, as it did not have the best reputation over the State. They are trying to give the people only first-class entertainments.

Go to E. Lee for Hardware and Harness in New Brick Building.

Clerk's Wise Suggestion.
"I have lately been much troubled with dyspepsia, belching and sour stomach," writes M. S. Mead, leading pharmacist of Attleboro, Mass. "I could eat hardly anything without suffering several hours. My clerk suggested I try Kodol Dyspepsia Cure which I did with most happy results. I have had no more trouble and when one can go to eating mince pie, cheese, candy and nuts after such a time, their digestion must be pretty good. I endorse Kodol Dyspepsia Cure heartily. "You don't have to diet. Eat all the good food you want but don't overload the stomach. Kodol Dyspepsia Cure digests your food. Hood & Grantham."

DIED.

Last Monday evening at 1:30 o'clock Mrs. Emilie Marks passed away at the residence of her son, Mr. S. G. Marks. She was in her 84th year and had for some time been in a feeble condition.

For good many years she lived near Buie's Creek, but for some time she has been living in Dunn with her son.

In early life she joined the Baptist church and had lived for her Master since that time, always bowing in humble submission to His will.

Interment took place today near Buie's Creek at the family burying ground.

She leaves three sons to mourn her death, Messrs W. H. Marks, of Indiana, L. H. Marks, of Buie's Creek, and S. G. Marks, of Dunn.

In her death the community loses a noble christian woman, and one whose loving words and deeds of kindness will never be forgotten. We extend our tenderest sympathy to the bereaved ones in this hour of grief.

The Last Heard of it.

"My little boy took the croup one night and soon grew so bad you could hear him breathe all over the house," says F. D. Reynolds, Mansfield, O "we feared he would die, but a few doses of One Minute Cough Cure quickly relieved him and he went to sleep. That's the last we heard of the croup. Now isn't a cough cure like that valuable?" One Minute Cough Cure is absolutely safe and acts immediately. For coughs, colds, croup, grip, bronchitis and all other throat and lung troubles it is a certain cure. Very pleasant to take. The little ones like it. Hood & Grantham.

Wood's Seeds.

Va. Second Crop Seed Potatoes.

These are the result of growing two crops in the same year, the first being planted from select Maine Seed Potatoes, and the seed selected from this crop planted again in July or August. They not only make their crop earlier, but they also make a larger yield and much surer crop than Maine or Northern-grown Seed.

Our stock is very superior and we always ship in full-sized double-head barrels. Wood's 1902 Descriptive Catalogue gives very interesting information about Potatoes. Mailed upon request.

We have also large stocks of the best MAINE and NORTHERN-GROWN SEED. Write for special Potato price-list.
