Democratic Platform.

Following is the platform adopted by the Democratic State Convention at Greensboro, at its session on July 16, 1902:

"We congratulate the people of North Carolina upon the adoption of the suffrage amendment to our State constitution and upon the benefits that have resulted therefrom and we pledge the Democratic party to faithfully maintain it by every ligitimate means and we de-mand that the Republican party shall declare its purpose either to accept or reject it, and until it is accepted as a finality by all parties we declare it the duty of the white people to stand together for its protection.

"The Democratic party representing the intelligence, the virtue and the manhood of the people of the State, recalls with pleasure the entire absence of scandals during its administration of public affairs and the gratifying advancement that . has been made amongst us in all industrial lines. We have Senator Pritchard has the fostered agriculture and proeputation in some quarters of moted manufacturing and have being an able exponent of the given to capital full security and Republican principles. In some have protected the rights of larespects he is, that is, if chican-ery, duplicity, pretence, and as fair and just system of taxation sumption be evidences of ability. and we demand that all subjects The spokesman of any party, of taxation shall bear the just
