**Mr. R. F. Tuttle Has Two  
Accidents**

Mr. R. F. Tuttle had two accidents recently: Saturday he fell from a kiln of bricks, badly bruising his arm. Sunday night he started from his home out to his brick yard to look after his burning brick kiln. He was driving a horse and buggy meeting the glaring lights of an automobile he was so blinded he did not see a pile of pebbles on the street and his buggy ran upon the pile turning over and catching him under it. The arm already bound up from the hurt the day before was badly hurt with the parts of his body bruised. Messrs. Chas. H. Wood and G. A. Davis assisted in extracting him. This was the result of two violations of law. The pile of pebbles should have had a light on it and the driver of the automobile should have dimmed his lights. It is certainly strange the driver of the automobile did not stop to render any assistance.
