### Good Old-Fashioned Iron Best As Tonic

PLAIN, HIGHLY CONCENTRATED NATURAL IRON STRONGER AND CONTAINS NO HABIT FORMING DRUG, NARCOTIC OR ALCOHOL.

#### Whole Families Use It

The use of just plain, ordinary natural iron, procurable at any drug store under the trade name of Acid Iron Mineral, will stimulate the digestion and appetite, and make any man or woman rando and weak, stronger and more vigorous before a dollar bottle is half gone, and according to tests of thirty years, the absence of alcohol and purgatives in this remarkable remedy makes it ideal as a non habit forming tonic and blood purifier.

We are bound to notice an improvement shortly after taking Acid Iron Mineral because it is from two to six times stronger than the usual chemically "prepared" tonics.  
Being a natural, medicinal iron with no narcotic, alcoholic or laxative added. Acid Iron Mineral may be given freely to the whole family for blood, kidneys and digestion. Be sure you get the highly concentrated iron. The trade-mark "A-I-M" protects you. There can be no danger of reaction, false stimulation or of anyone forming the habit. The more you use of Acid Iron Mineral, the less you need it.  
If the bowels are normal, we strongly advise against the use of any remedy containing laxatives, but where one's bowels are sluggish, the little A-I-M Tablets you can get at the drug store for 25c are admirable little liver pills and bowel regulators and work splendidly in conjunction

with Acid Iron Mineral.  
All druggists have it, or send direct to the Ferrodine Chemical Corp., Roanoke, Va., \$1 prepaid. Advertisement.

### AN EDENTON MAN'S EXPERIENCE

Can you doubt the evidence of this Edenton citizen?  
You can verify Edenton's endorsement.  
Read this.  
N. J. Hollowell, grocer, Queen street, Edenton, says: "For years I suffered from kidney complaint and a weak and lame back. The kidney secretions were too frequent in passage and contained sediment. I also had a dull pain across the small of my back, and I couldn't rest well nights. I finally read of Don's Kidney Pills and began using them. I was greatly benefited by them."  
CONTINUED CONFIDENCE  
MORE THAN TWO YEARS LATER, Mr. Hollowell said: "I consider Don's Kidney Pills a very good medicine for weak kidneys and bladder trouble. I am glad to again publicly endorse this medicine."
