That tuberculosis is one of the war problems of the United States goes without saying; in fact, it is a serious problem which is growing more serious year after year in this as well as other countries. It baffles the brains of our leaders in times of peace and is even worse in times of war. We have recently heard it said that camp life—the soldiers life—is helpful or curative to one tuberculous, but if that statement is true, then our State Board of Health is all wrong. The Board has recently issued a bulletin, sent out by Dr. L. B. McBrayer, who is at the head of the bureau of tuberculosis in North Carolina, in which many statements are made which are alarming. We have not the space to discuss these matters in this little paper but if the facts, as given in the bulletin, are true, and we have no reason to doubt them, those who are in charge of examining applicants for enlistment cannot be too careful. Better get a copy of this bulletin from Dr. L. B. McBrayer, Sanatorium, N. C., which is free and read it.

Court Adjourned Wednesday
 Superior court convened here Monday, Judge Kerr presiding. Only two unimportant criminal cases were tried and a few civil cases, court adjourning Wednesday evening.

RED CROSS RALLY AT ELM GROVE A SUCCESS

Other Red Cross News

The Red Cross rally and lawn party given at Elm Grove I.O.O. F. Hall, near Cisco, on last Tuesday afternoon and evening was widely attended and was an all round success. Speeches were made by Dr. Richard Dillard and Rev. W. A. Cade of Edenton. The music by Misses Nixon and Evans was especially enjoyed. Best of all the sum of \$130 was raised for the benefit of the Red Cross, and a large number of new members were taken into the organization.

The executive committee of the Chowan Chapter of the Red Cross held a meeting on last Saturday afternoon and appointed the following committees:

- Miss Margaret Pruden, Chairman Surgical Dressing Committee.
 - Mrs. H. M. S. Cason, Chairman Knitting Committee.
 - Mrs. W. H. Olak, Chairman Ways and Means Committee.
 - Mrs. E. B. Norman, Chairman Membership Committee.
 - Mrs. M. L. Wright, Chairman Publicity Committee.
- Surgical dressing meetings will be regularly held from this time on in the Rest Room on every Tuesday at 10 a. m. and on Thursdays at 8 p. m.

"Vaporize" Croup or Cold Troubles

Vapor treatments for cold troubles are better than internal medication, as the vapors carry the medication direct to the lungs and air passages without disturbing the stomach.

When Vick's "Vap-O-Rub" Salve is applied over the throat and chest, these vapors, released by the heat of the body, are inhaled with each breath. 25c. to \$1.00.

IN THE WAR AGAINST WASTE.

Joining other numerous forces throughout the nation in the war against waste as a helping hand to the country's struggle to "Make the World Safe For Democracy," one of the large insurance companies has issued a bulletin which it announces, has as its object the promoting of patriotism, good citizenship and the physical betterment of the people. Some very timely suggestions are herewith presented from this valuable paper:

"Give no time or money to selfish pleasure which can be given in unselfish service to the nation."

"In the name of common humanity and of common sense, let us at once adapt ourselves to the extraordinary war conditions which have come upon us."

"Unless extravagance is checked, the nation will be injured—people will go hungry and the war will be prolonged."

"What a blessing rational economy would bring to war worn humanity in the present food crisis."

"But economy is not enough. We must produce more, conserve more and every one enlist in the war against waste."

Where Has My Money Gone?

A question often asked and one that has a ready answer in a check book. If you own a check book on the Bank of Hobbville you can always tell where your money has gone, and, by reviewing your canceled checks occasionally, tell where you can "draw in" a little on your expenditures. More than that: If you administer your funds through a checking account with this bank you'll find it much easier to accumulate a reserve than if you handle it in currency.
