

### Pictures From Home

Give cheer to the boys waiting in camp by sending them pictures from home. There are likely to be some tedious homesick days down there and a little cheer up in the way of photographs of the home folks and the home doings will do them a lot of good.

And some day when you want to give something a little more substantial send along a vest pocket KODAK and ask your Soldier Boy to send pictures to you.

Vest Pocket Autographic Kodak \$6.00

Hall's Family Pills for constipation.

### A Two Years Record

A Test That Must Impress Observer Readers

Two years is a long time. A rigid test of merit. This Hertford resident testified two years ago.

He now says the results were permanent. Educated people can rely on the statements of such well-known nearby residents.

Josiah Elliott, Baptist minister, Grubb St., Hertford, N. C., says: "I had kidney trouble for a long time. My kidneys were too active and the kidney secretions were highly colored and contained sediment.

I had constant backache and pains in my loins. I slept poorly and arose in the morning tired and unrefreshed. Doan's Kidney Pills cleared up the kidney secretions and removed all backache and other sufferings."

NO TROUBLE SINCE MORE THAN TWO YEARS LATER, Mr. Elliott said: "I have had no kidney trouble since I used Doan's Kidney Pills for the relief they gave me has been lasting." 60c at all dealers. Foster Milburn Co., Mfgs., Buffalo, N. Y. Advt.

### Littleton College To Open September 26

The 36th Annual Session of Littleton College will begin on Wednesday, September 26. We have an ideal plan by which pupils may live at their own charges in our main dormitory building, thus saving about \$75 during the scholastic year. For further information address J. M. Rhodes, Lake Junaluska, N. C., till September 5th and after that Littleton, N. C.

### Notice to Fishermen!

At the last meeting of the Fisheries Commission Board held at Morehead City, N. C., on the 5th day of July 1917, a motion was offered as follows:

"That the closed season for shad and herring shall be from April 30th to January 1st, during which time it shall be unlawful to catch with any net, seine or other appliance, any shad or herring in the waters of North Carolina."

The consideration of this motion was deferred until a meeting of the Board to be held at Edenton, N. C., on the 2nd day of October 1917.

All parties interested are requested to meet the Board at said meeting and if they so desire, they will be heard on this subject.

Respectfully,  
H. L. GIBBS,  
Fisheries Com'r.
